

The Heads Up

Introducing Clapham CARL!

During our school mission evening in the Spring Term, parents, governors and staff brainstormed a list of words which represented our school's vision for the future. Mr. Henderson then worked with groups of children to rank the words in order of importance. We have rearranged the 4 key words to produce the acronym CARL which stands for Caring, Achieving, Respectful, Learners. Clapham CARL will also become our school mascot to enable the pupils to remember our vision. The children were all introduced to CARL during Wednesday's assembly and they were very excited at the prospect of a school mascot. You will also notice our vision statement around the school and on the bottom of school stationery. Our achievement assemblies this term will be based around the four elements of CARL.

Clapham CARL—our new school vision and mascot.
