

# The Heads Up

## The Winning Design

On Tuesday morning Mr Henderson and Mrs McArthur escorted 21 children, who entered the Mole Competition, to Eagle Recreation Ground. All of the children were kitted out in suitable protective clothing and had been invited by Severn Trent to the construction site. Georgia's winning design had been painted on to the equipment.

The children were invited to sign the Mole drilling equipment before it was lowered into the ground to begin its tunnelling work. Georgia had the important task of instructing the crane to lower the equipment into the hole.

Congratulations to everyone who took part in the competition. It certainly was very exciting to see the final design on the equipment and then the mole in operation. For more information and photographs log on to:

We need your help.....

**The Leamington Regency 10K will be on the 07th April 2013**

They urgently need volunteers to act as marshalls around the course.

If we provide SIX volunteers they will donate £250.00 to school

**FREE MONEY FOR SCHOOL FOR VOLUNTEERING.....**

if you are available for the morning of the 7th April please can you contact the office providing a contact telephone number. The number will then be passed to a coordinator who will contact you when we have SIX volunteers. They will then provide all information with regard to time of event, meeting place etc. Please can we stress to you only volunteer if you are definitely available as the event relies on the commitment of the volunteers to enable it to operate smoothly.

SIX volunteers generate the school £250.00. Many thanks for your support.

## Everyday Info.

### Dinner Money

The cost of dinner per day is £1.90, £9.50 a week.

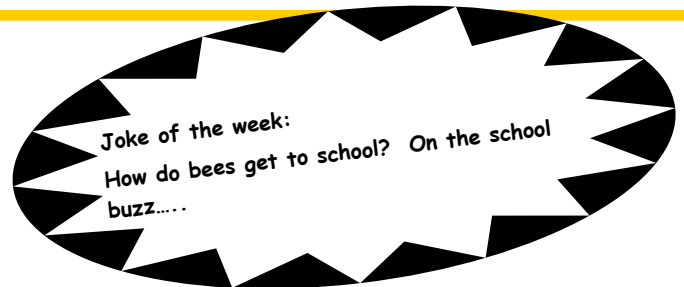

Cheques should be made payable to:

Clapham Terrace Primary School WCC.

Payments for dinners should be made on a Monday and sent into school in a sealed named envelope.

### Uniform

Bookbags and PE bags are only £1.00 each.

### Mathletics Challenge of the Term

We would like children to log on to the Mathletics website: [www.mathletics.com](http://www.mathletics.com) and navigate to the problem solving section. Here, you and your child could have a go at completing an activity of your choice. It would be lovely if your child could then bring in examples of learning, it could be a poster, a drawing or a photograph. Your child will be able to share their learning with their class and the whole school in assembly. We hope to create a school display of Mathletics problem solving.

As we have now been using the website for a month we are keen to receive some feedback! Below you will find a detachable slip please can we ask you to return it to school.
