

The Heads Up

Dates for your diary:

Egg..citing time

We are pleased to announce that this year we are hoping to hatch some chickens. Clapham Terrace hatchery is situated in the main hall so next time you come to Achievement Assembly have a look at the progress of our eggs. We are hoping that all of the eggs will hatch producing some lovely little chickens. Mrs Holberton has very kindly loaned us an incubator and the children are monitoring the temperature and turning the eggs to aid in the hatching period. It takes 21 days for the chickens to hatch. Photos of our chicks to follow.....

Wanted.....

Do you have any old picnic rugs or throws that you could donate to school ? If the answer is YES then we would love to have them. We are enhancing our outside eating space and have recently purchased 4 picnic tables but would like some rugs so that we can create even more opportunities for the children to eat outdoors, especially now that the weather is improving. If you have any old or unwanted child size suitcases Reception would very much like them.

Health and Safety

It's really fantastic to see so many children travelling to school on bikes and scooters. Please can we ask that children do not ride their scooters or bikes on the school playground. Many thanks.
