Reports of Traffic Congestion.....

As you know the safety of our children is paramount . We are experiencing a high amount of traffic within our corridors during the morning drop off period which is causing us a few problems. If you need to see someone in the school office

please can we ask that you do not come through the school. Once your child has been dropped off in the playground any enquires to the school office should be made by using the main school entrance. Please use the external exits before 9.05am to leave the school site once your children have been dropped off. We are more than happy for you to use the front entrance to visit the office

Joke of the Week:

Why did the skeleton go the BBQ?

To get some spare ribs.

By Jessica Y1

Hold that thought.....

Live for today, love for tomorrow,
and laugh at all your yesterdays.
Never regret the past, always
hope for the future, and cherish
every moment you have.
