Headteacher: Mrs Sue Gallagher
Chair of Governors: Mr Dave Fenton

Dear Parents/Carers,

Year 6 have had an exciting week at Marle Hall in North Wales – we shall look forward to hearing all about their residential when they are back in school next week. Hopefully we will have a full report posted on the website soon. (www.claphamterrace.info)

A big thank-you to all of the parents/carers and pupils who have worked wonders in transforming the gardens – the school site looks fantastic. The staff and children very much appreciate your hard work and your time.

We have recently also sent out our first Community Newsletter to the residents in our local area and have already received some very positive feedback from residents nearby. If there is anything you would like us to put in the Community Newsletter for future distribution please let us know. We aim to send another newsletter out after Christmas.

We are sad to announce that Mrs Brittain will be retiring at Christmas after 9 years at Clapham Terrace. We are however, fortunate that Ms Scarff will be able to continue in her role as Year 5 Class Teacher for the rest of the academic year.

Next week we will be assessing your child's progress towards achieving their individual targets. We appreciate your support in working together with us to ensure that your child makes good progress.

Yours sincerely

We also thought that at this stage into the term it would be great to gather some feedback from all parents / carers as to how well you think we are doing in improving our school. If you have a spare minute we would really appreciate your time in providing us with any positive feedback, areas for development, or equally any concerns you may have. This will help us enormously in our self-evaluation, providing us with valuable information which will help to guide us as we continue the journey towards becoming an outstanding school. Please use the box provided below for your feedback.

Please include your name or child's name if you would like us to contact you to discuss your comments: _____

COMMENTS:

please continue on an extra sheet if need be....

16th October 2009

Committed to creating an effective learning and teaching environment in which the uniqueness of each child is recognised, respected and valued and in which they feel happy, safe and secure.
