Year 6's
Newsletter
Spring Term 2014

This term's main topic:
The Fairground

Whole School Focus:

Raising attainment in reading

Subjects

• Literacy:

We will be focusing on a range of non-fiction and fiction texts; these will include recounts, explanations, persuasion and non-chronological reports.

The children will also be looking at our VCOP display to help them with their exciting writing.

Remember that V - Vocabulary, C - Connectives, O - openers (for sentences) P - Punctuation.

Numeracy

- shape
- Addition and Subtraction
- Multiplication
- Division
- Fractions/ decimals / percentages
- Problem solving
- Simple algebra

Science: Ms Place will be in school on Thursday afternoons for the rest of the term to teach year 6's science: changing states.

History/Geography/ICT - the children will link all this work together examining 'The Fairground' Children will research how fairgrounds have changed over time as well as creating their own fairground and advertising campaign to support it.

Art/ DT - the children will create their own model fairground ride

RE:

PHSE: We will follow the protective behaviours unit and also focus on going for goals

PE The children will develop their striking and fielding skills during outdoor PE on a Tuesday and focus on sports hall athletics during indoor PE on Wednesday.

Fraction, proper fraction, improper fraction, mixed number, numerator, denominator, unit fraction, equivalent, cancel

Science In this unit children will have opportunities to use:

states, solids, liquids, gases, evaporation, condensation, dissolve, melting, solidifying, freezing

How to Help Your Child

- We ask you to support your child by hearing them read their individual levelled reading books at home. We would appreciate it if parents could sign and make a comment in the reading diaries three times every week. Helpers may also hear your child read their individual reading book in school, so it is important that this book is brought to school **every day**.

Please ensure your child has:-

- A PE kit (**named** pumps or trainers, white T-shirt, navy blue or black shorts, jogging bottoms and sweatshirt (during winter months) in **named** bag) must be in school every day and kept on children's pegs. It is recommended that they are taken home for washing every half term.
- A **named** water bottle containing water only.
- A blue sweater for when we go out on trips.

Homework Corner

As a guide, children in Year 6 are expected to do 2 ½ hours of homework a week.

Maths- SATs revision homework. Given out on Monday to be returned on Thursday

Literacy- Grammar focus homework. Given out on Monday to be returned on Friday.

Home learning- on-going celebrated at end of term

Dates for your diary

Special Events / Visits

SATs- week beginning 12th May 2014
