

Heads Up

Leadership has been a key focus this week. Staff appointed Ambassadors and Learning Detectives in each class. Ambassadors share the fantastic learning going on in class with visitors and the community. Learning Detectives support our teachers and Governors when making decisions about learning. Two detectives from each class bring the views of their class to meetings. They take part in work trawls, evidence days and complete questionnaires sharing their viewpoints.

Today children also voted for Junior Leadership Team (JLT) representatives for their classes. Children wishing to be a member of the JLT were invited to produce a manifesto, and give a speech to their classmates about why they thought they would be suitable for the job. This afternoon votes were also cast by the children for their choice for Year 6 House Captains. Well done to everyone who stood for a position!

Early Years have been investigating the 5 senses this week. They have tasted spicy, sour, sweet, salty and savoury treats, listened to a variety of sounds, touched lots of different textures and identified different smells. Super learning!

MacMillan Coffee afternoon

Next week the children in Key Stage 1 will be baking as part of their learning in Maths. You are invited to join us on Friday 29th September between 2.15pm and 2.40pm in the small hall for squash and a cake or biscuit. We will be raising money for MacMillan Cancer Support so please bring a small donation. Many thanks for your support.

Clapham Terrace Children's News

On Friday 15th September everybody dressed up French style. Each house did activities at different times. These activities were :

Matisse artwork on vegetables and fruit;
Which countries speak French?;
French comic characters; and
Tasting French food and doing maths.

In the Year 3 classroom we looked at the French names for vegetables, made drawings of them and then cut them out. Did you know that we are one of the only people who call a pineapple, 'pineapple' in the world?!

In Year 4, we learnt how many countries speak French and saw a live camera of the Eiffel Tower. Did you know 220,000,000 people speak French?

In Year 5 we looked at Asterix cartoons and made our own comic strips with French dialogue.

In the Learning Zone we did some maths with euros and then tasted some lovely French food in Carl's Kitchen. By Sarah and Keerthi

Voting at Clapham Terrace

Today we voted for our new JLT representatives for each class. If a child wanted to do it, they wrote a manifesto and stood up at the front of the class and said why they thought they would be good. Then we voted secretly for a boy and girl from our class. Year sixes were in charge of counting the votes and announced them in achievement assembly.

In the afternoon we split up into our house teams. Year sixes made speeches if they wanted to be a house captain. Then we voted for a boy and girl for each house. We'll let you know the results as soon as we have them!
