

Heads Up

What a busy week! On Monday, Years 1 and 2 enjoyed a performance of Roald Dahl's BFG in the small hall. On Wednesday, it was Year 3's fantastic assembly on the water cycle, accompanied by real rain (don't worry, the skylight is now fixed!). Year 4 went to Leamington library to learn about how a library is organised and all the facilities that are available to children. This tied in nicely with our reading for pleasure focus and home learning reading tasks for Early Years to Year 4. Year 4 have also started their rehearsals for Champion's performance of C.S. Lewis' The Lion, the Witch and the Wardrobe. More information to follow...

Wanted for Early Years

If you have any spare educational jigsaws, Early Years would be very pleased to have them. They are also on the hunt for a dome-shaped play tent. Many thanks for your continued support.

Year 4 Cake sale

Year 4's yummy cakes flew off the stall and made a whopping £103.60 for the HSA. Thank you! Year 3's cake sale is on Friday 9th February.

Run like the Claphams

Some Clapham mums have started a running group. If you're interested in joining in (all abilities welcome!), meet by the canal school gate after drop-off on Mondays and Fridays. Remember your trainers. The more of us the better!

Roald Dahl's BFG

Excitingly, on Monday Year 1 and 2 got a visit from the BFG! The children loved the performance, it was very amusing. They described the show as 'smelly, magic and mind blowing!'

"The performance was amazing!" said Sophia in Year 2.

Glasshouse trip

Last Thursday, Years 5 and 6 went to the glasshouse in Jephson Gardens to learn about biomes. We had a tour around the glasshouse and we made our own artificial biome as a poster.

Everybody agreed it was fun and we learned something new.

Thomas in Year 6 said, "My favourite part of the trip was when we made our own artificial biome."

Science trip to Campion

On Wednesday, Year 5 went to Campion for a science lesson. Firstly they investigated whether there is starch in marshmallows, bread, wotsits, and popcorn. Then they used the Bunsen burners to burn the food to see how much energy was in it. By opening the gas valve, the safety flame turned into a blue, roaring flame which was the hottest it could ever be. They held the burning food under a warming tube which had 20ml of water in it. "I think that the wotsits had the most energy in them," said Harshu. Year 5 had a lot of fun and learned many things about energy in food. By Harshu and Sebi

New Pens for KS2!

Clapham Terrace Primary School was given £50 by the **Lemonheads**, a group of entrepreneurs from Clapham who sell fresh homemade lemonade!

School spent the money on new pens for KS2 to use for their progress pages in topic books. By Lajla and Jess

Standing Ovation Choir

Standing Ovation choir is run by the amazing Emily, who has worked all over the world. The children sing and dance to famous songs from films and musicals such as Annie and Matilda.

Emily also sings with Year 5. We have sung a range of songs from the 80s such as Stand and Deliver by Adam and the Ants. It's really good for boosting children's confidence in a fun and exciting way.
