

Heads Up

I thrilled to announce that we have achieved an Arts Mark Platinum Award, the highest possible accolade! We are very proud not just of our school, but the whole community, as it is rare for small primary schools to achieve a platinum award. Sebi and Isaac, CTCN reporters, interviewed Mrs Clarke earlier this week and she said that our creative learning and skills over the last 2 years have been remarkable. We are currently also co-ordinating funds for another community festival after the success of SPLAT, the children's arts festival held in conjunction with Warwick art Centre Centre in Jephson Gardens last summer.

This week in assembly, as well as a fantastic performance given by our school violinists, Miss Briach launched our science day and Year 4 gave a super display of their learning. You can read all about the assemblies below.

Amazing Assemblies!

On Monday the school violinist—Eve, Bethany, Annabel Daisy and Lewis—performed in front of the whole school. Pieces included Twinkle, Twinkle and A String Hoe Down. They are very talented musicians.

“We really enjoyed it hope to perform again soon” said Bethany

By Annabel and Bethany, CTCN Reporters

On Wednesday, year 4 did an amazing assembly showcasing their learning. In science they are studying classification, in maths they are learning about factor pairs, in art they are looking at the work of Andy Goldsworthy and in their literacy they are reading Butterfly lion. Thank you to all the parents and carers who came along to watch.

HSA update

The Year 3 Cake sale made £74.50. Thank you to everyone who supported the event. Year 2 are next to bake for Friday 9th March.

The HAS quiz raised over £350 and was great fun! The winning team was The Chicken Dinners (Matt & Sarah Cox, Bruce & Rebecca Knight, Anna-Maria & Dermot O'Flynn). Dermot's most memorable moment was when he caught Mrs Miles looking on her phone and he called it out to Gary, the Quiz Master!

Thank you to Gary (Anna's Dad) for hosting the quiz and to Pete (Gabriel's Dad) for compiling the questions. By Lajla, CTCN Reporter

Sports Update

Football

On Tuesday, footballers from Key stage 2 played a series of matches against Whitnash Primary School. We achieved some fantastic wins and were praised for our sporting spirit. We'd like to thank Miss O'Kelly and Mr Rockcliffe for coaching us and all the parents who came to support us.

Dodgeball House Competition

On Friday the school split into their four different houses (Dragon, Phoenix, Goblin and Unicorn) for a dodgeball competition. Throughout the day each year played matches against each other in their house teams. Everyone across the school played really well and showed fabulous teamwork. Results to follow!

By Thomas, CTCN Reporter

Measuring a mile

On Monday 9th February, Year 5 measured a mile in the playground as a part of their P. E lesson, this was for sports relief. They used 3 trundle-wheels. First they measured 160 metres and found out that reaching a mile was impossible, so they came up with a clever idea. Their idea was that the runners would run 160 metres 10 times which was successful. The hard work they have put in has helped a lot as they have measured a mile for the Sports Relief event which will start on 17th March and will end on 23rd March.

Library Books

Please can you ensure that all library books are returned to school by Friday 2nd March.

Dinner Menu Week 2

Monday

[Organic Beef Grill in a Bun](#)

Vegetarian — Quorn Cheese Burger

Tuesday

[Bacon Medallion and Pork Sausage](#)

Vegetarian— Vegetarian Brunch

Wednesday

[Roast Chicken](#)

Vegetarian — Quorn Fillet in Gravy

Thursday

[Cheese and Tomato Pizza](#)

Friday

[Battered Fish Fillet](#)

Vegetarian—Breadcrumbed Vegetable Fingers

EVERY DAY:

Jacket Potato with a choice of either: Cheese, Beans, Cheese and Beans or Tuna Mayo

Science Fair

Friday 9th March, the whole school will be taking part in science day. In the morning, staff from Campion will do an interactive assembly on science. After assembly, each class will take part in a different science activity and we will rotate. At the end of the day, we will go round classes and look at other people's science projects. The projects will be judged over the week and some of the best ones will go to Warwick University to represent our school in their prestigious Science Fair. This is a fantastic event, full of spectacular science demonstrations. Good luck everyone!
