

Heads Up

It has been a fantastic week and the children have really settled back in well to the new half term. Creative learning is underway and everyone is enthused by their new focus areas.

We've got some great events coming up—check the 'Dates for your Diary' section for more information.

Parent Questionnaire

Thank you to all those parents and carers who filled in the questionnaire about school. The results are very positive and some useful suggestions have been made. A letter summarising the results will be sent out soon.

The raffle ticket winners were:

Early Years: Thana Mohammed

Year 1: Emily George, Year 2: Sarah Duncan Smith

Year 3: Kathleen Lindsay, Year 4: Holly Hart

Year 5: John Fox, Year 6: Aminah Kanerva

Y5 Bikeability

On Thursday 19th of April, some Year 5 children had their first bikeability course. Firstly, we got split into two groups, one group of 12 and another of 6 children. We did a check on our bikes to make sure they were in good condition and road worthy. We looked at the brakes, saddle height, tyres and that our helmets were secure on our heads. It's really important that your helmet fits correctly to ensure you are safe when riding your bike on the road.

We did some activities in the school playground and after break time the group of 6 children went onto the roads, while the other group played games. We learnt how to use our brakes, change our gears and single when your turning. Then we swapped r activities.

Year 6 Light Topic

In science, Year 6's new topic is Light. This Monday, they were learning about how you see light, how you see other objects using light and how to use periscopes to investigate light. A periscope uses mirrors to see things that are out of sight, for example on a submarine. Did you know light is so fast it can travel around the earth 7.5 times in a second!
