Year 6 have had an amazing time at Marle Hall this week. I've been really impressed by their independence, respect levels and resilience. They've mastered rock climbing, gorge scrambling, canoeing and bush craft, as well as exploring a slate mine! Some of these activities were a first for the children. All have been a credit to take away for the week

Next week we've got parents evening on Tuesday and Wednesday for Reception to Year 6. You will have the opportunity to read through your children's books, talk to their teacher about their learning and progress and how they've settled into their new year groups.

The Clapham Arts Committee are going to Warwick Arts Centre next Tuesday to meet fellow committee members from St Patricks and Sydenham and to begin the planning and organisation of our 2nd SPLAT Art Festival in July 2019.

Remember it's the Halloween Disco next Thursday (details overleaf).

**Friday 26th October is a Teacher Training Day.**

## Animation Workshop

Year 4 were lucky enough to take part in an animation workshop at Leamington Art Gallery and Museum. Firstly they made old fashioned zoetropes. Then they created figures from modelling clay and made a stop motion animation using iPads. Finally they had a behind the scenes tour of the library and found out that a famous music video had been filmed there!

"I made a tiger out of modelling clay!" said Jane

## What's been happening in Early Years?

It's great to see so many parents and carers at our Open Sessions on Friday morning; thank you for your support.

We're continuing with our topic "Our Busy Bodies" and in science we have been investigating our sense of taste, blind tasting sweet, sour, salty and savoury foods. We've also been stretching and relaxing our bodies in yoga.

In maths we've been working on repeating patterns and we're astounded by how quickly the children have picked it up!

Overall, it's been another fantastic week!
