

# Heads Up

Welcome back! I hope you have had a wonderful summer break. The children look so well and ready to embark on a new year of exciting learning.

I'd like to take this opportunity to welcome our new Reception and Nursery children and their parents to our school. I'm sure you will welcome them to into our community.

A huge thank you to you all for returning the data collection sheets and other documents that we sent out earlier in the week. For those of you that haven't got round to returning them yet, please could I ask you to do so as soon as possible.

Some exciting changes took place to the school building over the summer holiday. The small hall has been painted and reorganised; thank you to Rockets for funding this makeover. Mrs Miles has worked closely with Local Authority and they have funded the complete refurbishment of the boys toilets. I'm sure you and the children will agree that they look great!

Years 3 and 4 went on a trip today to the Birmingham Museum to find out about ancient Egyptians. They took part in a workshop on mummification which they found really interesting and they enjoyed looking at the artefacts in the Egyptian gallery.

A fascinating new learning topic will be will be launched next week and on Friday 15th September we have a special French day to celebrate our Modern Foreign Language (MFL) learning. Children will have the opportunity to dress up for the day and will be taking part in a range of activities including art, literature, sports, food tasting and geography, as well as practising their language skills.
