

Heads Up

What a busy week! Today we had a fabulous day celebrating all things French. A big thank you to parents who helped out with the activities.

Exciting new topics were launched this week. Years 5 and 6 are learning about the Victorian Leamington and will be visiting the Royal Pump Room Museum next week for a Victorian workshop. Years 3 and 4 are studying ancient Egypt and enjoyed their visit to the Egyptian Gallery at the Birmingham museum last week. Years 1 and 2 are learning about castles and are very much looking forward to their visit to Warwick Castle! Early Years are discovering all about the 5 senses and will be having a special senses week next week.

A local resident has raised a concern about children racing their scooters on the path at the back entrance of school (Davidson Avenue). Please can we ask that you scoot slowly and carefully on this path.

HSA AGM MEETING

Monday 25th September at 7pm in the New Inn

Everyone at school is welcome to attend the HSA annual general meeting.

The HSA at Clapham is the name we give to the PTA. It is a fantastic organisation that exists to raise funds through the amazing events we organise that enable your child to have an enriched time at Clapham. In the past we have funded the astro turf, Carl's kitchen, art materials, theatre trips, reading books etc etc.

We would love you to get involved! We like to have a representative from each year group on the committee but then we also need volunteers to just help on the day of the event, maybe help on the refreshment stall for 30 mins or clear away tables and chairs at the end!

But if there is anyone who wants to get more involved we are looking for a new chair and secretary - if you want to know more please do ask.

Why not come to the AGM to find out a little more, coming to this event does not mean you are then obliged to be on the committee. We also need fresh faces to get involved as you will bring new ideas with you for both events and what to spend the money on!

Hope to see you on 25th at 7:00pm.

Sports Update

Mums' Netball Team

Some mums have set up a netball team and will play matches. Last Thursday was their first training. Joe, Nassi, Ella and I were there. We were so much better than the parents! By Abigail

Reading

Every week you have to read three times; you will get a house point and put three marbles in the jar. If parents would like to help the children with their reading you can volunteer to come in during the week and sit down with children and read with them so they get a read in their diary and get higher percentages for the class. If you read three times a week for the whole term you will get a medal! By Ayse

C.O.S.T Keeping Safe

COST have decided some new ways to keep safe online. They have thought of rules to help us with ICT. They have got different rules for KS1 and 2. Rules include: I will keep my login and password secret. I will not take photos or videos of others without permission. By Annabel and Ella
