

Heads Up

Last night, Year 5 stayed over at school for **Space Camp** and took part in a range of fantastic scientific activities linked to their Earth and Space topic. During the evening they met an astrologer from Warwick University and watched an amazing planetarium show. In the playground, they observed the night sky and did other activities, developing their understanding of our place in the universe. They enjoyed a space themed bedtime story and then settled down to sleep in their space pods. The children may well need an early night tonight after all that excitement!

For **Children in Need** everyone wore spotty clothes and brought in old pound coins which we then spread along the length of the hall. Thank you to parents and carers for your donations and we'll let you know how much we've raised as soon as possible.

We have been working hard on a **new school website** and we're excited to be launching it very soon. Watch this space!

Our Calculation workshop with Year 2 Parents and Carers was hugely successful this morning. Look out for more information about these events for Y3, 4, 5.

Keeping Children Safe in Education

Keeping children safe at Clapham Terrace is our number one priority and we expect all staff and volunteers to share this commitment. The school has a systematic and holistic approach to child protection and everyone involved in school life (staff, volunteers, governors and children) is briefed about safeguarding issues and what to do in emergencies of all kinds. Clapham is a safe environment in which children can learn, where people notice when there may be problems and respond appropriately, liaising with other services.

Clapham Terrace Children's News

Sports Update

On Monday Clapham Terrace Football Team played All Saints' School (Leek Wootton) at the Eagle Rec. The teams were well matched and it was an exciting game. Up to the last minute it was 2-2 draw, following goals from Riley and Theo, but Leek Wootton clinched it, scoring a goal in the last kick of the game. Well done to our players.

After 8 years as coach of the football team Mr Parker is finally hanging up his boots. Thank you to him for his dedication over the years. He has seen the team grow from 7 members to 45 and they've gone from strength to strength. Miss O'Kelly will be taking over as coach. The team will be in safe hands—she has a strong footballing background from her time at Leamington FC!

Children from Years 5 and 6 have taken part in a sports hall athletics competition today at Campion. We look forward to hearing all about their achievements in the next newsletter.
