

Heads Up

I'm delighted to announce that Mr and Mrs Filby are expecting a baby in April 2018. We wish them all the very best!

Mr Parker has been running some really useful calculation workshops for parents and carers about the way we teach maths in school. The sessions are very practical with lots of opportunities to see the progression children make.

There's a session on Tuesday 28th for Year 4 parents and one for Year 5 parents on Thursday 30th, both at 9am.

Online Safeguarding

It has been brought to our attention that some children are using the app Roblox and making friends with people they don't know. Mr Filby has spoken to the whole school about only accepting friend requests from the children they already know. For more information about protecting your child's safety and privacy if using Roblox, please visit corp.roblox.com/parents. If you have any further concerns, please speak to Mr Filby.

Early Years' Challenge

We are collecting 4 pint plastic milk bottles (empty and clean) to build an outdoor igloo, and we need about 400 hundred! There is a yummy reward for the child who brings in the most bottles on Monday 18th December. Please deliver all bottles to Early Years, via the playground door, at 8.50am. Thank you and good luck!

Children in Need

We took part in Pudsey's Round Pound Countdown and raised £258 for Children in Need. Thank you to the Junior Leadership Team for organising this event and to all the parents and carers for their generous donations of old and new pound coins.
