

# Heads Up

What an amazingly active week! The sport leaders and Miss O'Kelly have done a brilliant job organising events for Sports Relief. Nursery, Reception, Year 1 and Year 2 braved the chill at the beginning of the week to scoot their mile around the playground. Years 3 to 6 ran their miles and the children showed fantastic sporting spirit, encouraging their classmates.

Thursday was a sight to behold with children hula-hooping in the main hall, doing Zumba in the small hall and playing a netball marathon in the playground. Thank you to all the staff and parents who joined in. Today, Ricky led the dancing across the school and if you managed to catch their performance this afternoon I'm sure you'll agree it was fantastic! There are lots of photos and videos on Twitter (@ClaphamTerrace1) and we've raised over £150 for Sports Relief.

It's parents' evening next Tuesday and Wednesday. To alleviate any potential traffic and parking problems on Clapham Terrace, we will be opening the back gates on Davidson Avenue as well as the usual front gates.

Finally, to finish off the term, Easter Egg Bingo is straight after school on Thursday. It's a really good fun event, and of course, they'll be lots of chocolate! Again, the back gates will be open to avoid gridlock. There is plenty of parking on Farley Street, off Radford Road, which is only a few minutes walk from school, but please walk to the event if you can.

Holly, Jacob, Ami and Christopher represented Clapham Terrace at the final of the Celebration of Reading challenge at Lillington Library. The children gave a presentation on their class book, *The Matchbox Diary* and then took part in a quiz. They did extremely well and came third. We're very proud of them!

### Year 5, the Bird-Finders!

Year 5 went out to investigate birds near the canal. We discovered 4 pigeons, 1 magpie, 2 blue tits, 7 ducks and many more species. We found a broken egg, 2 feathers and a nest which told us that birds reproduce. It was really interesting learning about the life cycle of nature and the reproduction of plants and birds. This topic is really useful as it encourages children to take care of their environment.

Quotes from Year 5 about the trip:

Lola: *It was really fascinating!*

Harshu: *It was a great trip as I learned a lot about wildlife.*
