

Heads Up

It was a challenging week on the weather front! Thank you for working with us over the last few days. The decision to close school was taken with a lot of thought for the safety of our children, staff and parents/carers. At times like this, it is essential that we have the most up to date contact details for you, so if you have recently changed your mobile phone number or think that you are not receiving text updates, please let the office know.

On Monday, Year 4 began a fantastic new initiative working with Wasps Rugby Club to boost rugby skills and knowledge, sportsmanship and self esteem. You can read all about it overleaf.

Our Year 3 and 4 Spelling, Punctuation and Grammar (SPaG) workshop on Wednesday morning was very well attended. Year 5 are next, on Tuesday morning at 9am. We hope to see as many parents and carers there as possible. There is also a SATs information evening for Year 6 parents on Wednesday 7th March at 6pm.

We've added quite a few new dates to our diary list. On Wednesday 7th March at 2.45pm, parents and carers of children in Years 1 and 2 are invited to view their children's fabulous sculpture and artwork and on Thursday 8th March it's Year 2's chance to share their learning in assembly. Parents and carers are welcome to come into class afterwards to look at the children's excellent work.

Friday 9th March is our Science Day. Remember to bring in your science projects! The children will be starting the day with an interactive assembly presented by staff from Campion school and then a whole day of exciting scientific activities will follow. Parents and carers are invited to join us at 2.45pm to see what the children have been up to and to share their science projects.

Sports Relief Week

From 17th –23rd March, we will be participating in Sports Relief Week. We will take part in many exciting sporting activities that all the children can be involved in, including every child running a mile over the course of the week! On Thursday 22nd March, children are invited to come dressed as a sports person. This could be a famous sports personality, or dressing in the kit of their favourite team, or in a kit that represents a sport they participate in (e.g. karate, tennis, football, rugby, dance) or even a school PE kit. This will be a fun way of promoting our active lifestyle in school!

Wasps Rugby Club

Starting back at school, Year 4 were met by an exciting surprise; they are going to be working with Wasps Rugby Club! Over the next half term they will be taking part in some rugby related activities to boost their self-esteem and sportsmanship.

The Wasps have already made a great impression on Year 4, who are extremely keen to learn more about rugby! The start of the session consisted of some rugby problem solving and thinking about which move to choose. For the second part of the afternoon they went over the rules of tag rugby and had a little go. Next week they will focus on matches. By Lewis and Isaac, CTCN reporters.

Football

Clapham Terrace Football Club played St Augustine's Primary School in Kenilworth. We suffered a 6-2 defeat, but it was a great match and all the players showed fantastic sportsmanship.

Year 3's brilliant book!

We had an action packed week celebrating authors and books. Each class was given a new book to read. Y3's book, The Match Box Diary, written by Paul Fleischman, is a novel about a great grandfather who shows his great grandson his collection of match boxes that all contain an object (such a piece of pasta or a pip) that links to a memory in his life. He also tells the story of his move from Italy to America. By Annabel and Lola ,CTCN reporters
