

Heads Up

It has been another very busy week at school!

Thank you to the parents and carers who attended the Year 5 SPaG workshop on Tuesday morning and the Year 6 SATs information evening on Wednesday. I hope that you found them useful.

We had a fantastic turn out for our art gallery event from parents and carers in Key Stage 1. The children really enjoyed showing you their work.

Reception went on a trip this week to the Mead Gallery at the Warwick Arts Centre to study the work of Clare Woods and had the opportunity to create their own works of art using chalks, paints and collage.

Year 6 did Part 1 of their Bikeability training, which began with drills on the playground and then a trip out onto the roads around school. The trainers commended the children on their sensible attitude.

Year 2 put on a wonderful assembly celebrating books and reading. They shared their learning from book week, recited poems and sang songs.

Several children from Years 5 and 6 took part in a maths day at Lillington Primary School, working with pupils from other Leamington schools. They explored different types of maths, from Chinese magic circles and tangrams to ancient Egyptian maths. They looked at prime and square numbers and played lots of different maths games including Beat That.

Science day got off to a very exciting start with an interactive assembly put on by Campion school. Children then did a range of interesting experiments including investigating insulation, testing durability, and staging volcano eruptions! The standard of the science projects has been amazing—well done to all those children who submitted a project.

DATES FOR YOUR DIARY

Leadership in Sport

Sports leaders have been trained by a PE expert from Campion School to run lunchtime leadership fun and games. The aim is to get children active for at least 30 minutes a week. This week, children from Year 3 enjoyed a session including running, games and exercises. Miss O'Kelly has also introduced the Active 30 chart which involves sports leaders organising warm up sessions and weekly challenges for all classes. This week's challenge was squats. We're going to be so fit and healthy!

Vegetarian — Breadcrumbed Vegetable Fingers

Friday

Battered Pollock Fillet

Vegetarian—Jacket Potato options

EVERY DAY:

Jacket Potato with a choice of either: Cheese, Beans, Cheese and Beans or Tuna Mayo

Working on a film set!

Nassi and Ami have had a really exciting experience this week. Together with their dance club, Freeman Dance, they auditioned for a part in the film Nativity Rocks, which is being filmed in Coventry and is due for release at Christmas. They secured parts as extras and have been filming this week. They said it was a really interesting to see how a film is put together, and they hadn't realised how long it takes to shoot a scene! We look forward to seeing them on the big screen!

Dinner Money

The cost of dinner per day is £2.15, £10.75 a week.

Please ensure that all cash payments come in on a Monday in a named, sealed envelope.

Cheques should be made payable to: Clapham Terrace Primary School WCC.
