November - Half Term

Three weeks into term and the children's learning is well underway. Reception have done their first full week and we have some rather tired children in school! We are looking forward to Mrs Clarke returning on Monday to see how well they've all settled in.

We've started work with Lynne Goujon, our visiting artist, who is exploring batik and photography with Year 5. Year 5 have also started lessons in the flute with Chloe, a teacher from Warwickshire Music Services.

Today we launched our very own Bake Off competition. Children will be cooking in their classes next week and finalists from each year group will be announced in celebration assembly next Friday. Thank you to all the **parents and carers who have volunteered to come and help.** We're really looking forward to judging the results!

Andrew Craner Photography will be in on Wednesday 26th October to take individual school photographs. Children will have the opportunity to be photographed with their siblings. Remember to brush your hair!

We are in the process of updating our website for the new academic year. Please take a moment to explore the site as there is a lot of useful information on it. A couple of points to note:

- There is a translate button in the top right hand of the homepage to **help access it if English isn't your first language.**
- We will send you an electronic link to the newsletter on a Friday.
- Under the Parent tab, on the Ofsted page, there is a link to Parent View. Parent View gives you the chance to tell Ofsted what you think about our school, from the quality of teaching to dealing with bullying and poor behaviour. You may have already completed the survey in the past, but you can put your views forward on an **annual basis, so please visit the site again if it is a while since you've done so.**

Lost Property

Three weeks in and we already have a large amount of lost property! Mr Rockcliffe will put it out on the tables in the playground at drop off and pick up times next week. Please can you ensure **that your child's belongings are labelled** as it makes it far easier to reunite lost items with them!

Carpark Safety

Staff have reported seeing several children and parents cutting through the car park to get to the school entrance. This puts you in danger and we have had a near miss in the past. Please could you use the gate nearest the main front door to enter the premises, unless you are going to Rockets. Thanks for your support in this matter.

Sports Report

On the 17th September, Emilia, Jess, Keerthi, Jasnoor, Tilly, Ami, Brooke and Aaliyah went to Campion to take part in a 5 a side football competition. Five other schools participated and we played 4 matches. Although we only scored one goal, our team showed good spirit and communicated well with each other. By Jess, CTCN Reporter.

Year 5 Space Batiks

On Monday, Year 5 created space batiks with Ms Goujon. They poured molten wax carefully onto fabric, creating a space like scene. On a different table they mixed dye with water making different colours. Finally, they painted the different colours onto the waxed fabric. The end results looked amazing!
