

# Heads Up

I have been amazed by the quality of the baking in the Bake Off finals this week! The finalists have thought really carefully about their 'signature dishes' and the delicious results show their hard work and planning. Thank you to the parents and carers of the finalists for your support, and to all the other helpers we've had this week. Congratulations to our winners, who will feature in next week's edition. Thank you also to the HSA for donating the cookbook prizes.

It's been another sporty week with Years 1, 2 and 4 going to Champion for Team Challenge sports event and the Clapham Football Team's first match of the season. We're currently finalising Bikeability sessions next week for Years 3, 4 and 5.

Finally, please pop in and take a look at our new hall displays based on the children's fantastic topic learning.

The **Home School Association (HSA)** is the name we give to the PTA. It's a fantastic organisation that raises funds for school for things that enable your child to have an enriched time at Clapham. In the past we have funded the astro turf, Carl's kitchen, The MESS, theatre trips, Ricky's dance sessions, Roald Dahl workshops and mini beast day, to name but a few.

We organise some brilliant events for the families of Clapham to enjoy, including discos, bingo, quizzes the summer & Christmas fair. But as you can imagine, these events need lots of people to help to make them happen so we would love you to get involved! We like to have a representative from each year group on the committee (we're currently short of reps in Early Years), but then we also need volunteers just to help on the day of the event, maybe on the refreshment stall for 30 minutes or to clear away tables and chairs at the end. Every little contribution in both time and money is really appreciated. Why not come our half termly meetings to find out a little more, it won't mean you are then obliged to be on the committee. We need fresh faces to get involved as you will bring new ideas with you for both events and what to spend the money raised on.

## Goodbye Mr. Rockcliffe

Last Friday, Mr. Rockcliffe locked the school gates for the last time. He has a new job and we are so sad to see him go; we truly miss his effort in taking care of our school!

In Achievement Assembly we presented him with our lovely presents and cards. Some of us even shared our memories and gave him a 'King Kenny' crown. After school the teachers all had a fish and chip supper and a Manchester United cake to make him feel the very best before he left.

## Sports Update

### Team Challenge at Campion

On Monday and Tuesday Years 1, 2 and 4 went to Campion to take part in a Team Challenge athletics competition. The events were a relay race, dribbling-with-a-ball race, obstacle course and the tennis ball-racket race. Every child tried their best. Also, thank you to the parents who walked up to Campion with the children and encouraged them. By Harshvardhan, CTCN Reporter

### Football

The first match of the season was against Long Itchington. Unfortunately we didn't get a win, but well done to all the team, especially Bayley who soldiered on in spite of a nose bleed!

## Christmas Activities

This year, instead of our visit to Warwick Arts Centre, Nursery, Reception and Year 1 will be going to Hatton Country World on Monday 10th December for a Magical Christmas Experience including a visit to Father Christmas.

Years 2 to 6 are going to the pantomime at the Royal Spa Centre on Thursday 13th December. We've decided to include Year 2 this year, as the Warwick Arts Centre production isn't suitable and we feel that the Hatton experience is pitched at younger children. The pantomime is always a fantastically fun show!
