We've had another fantastic (and busy!) week in school. As part of anti-bullying week, the children have taken part in an assembly and workshops to highlight what bullying is, what children can do about it if they think they are being targeted and how staff will deal with any issues. You can read about it below.

In other news, Year 6 put paint to canvas, working on their project 'View through a Window' with our artist Lynne Gougeon. Lynne also worked with Year 4, taking them on an urban photography tour of the local area. We look forward to seeing the results. We enjoyed a Marle Hall themed assembly from Year 6, our boccia and archery team wowed us with their achievements at Campion and Years 1 and 5 learned all about fire safety from the Leamington Fire Department. Year 5 stayed overnight in school last night for school Space Camp and we will have a full report on what they got up to from our CTCN reporters next week!

### Anti-bullying Week

Bullying is usually defined as repeated behaviour which is intended to hurt someone emotionally or physically and is often aimed at certain people because of their race, religion, gender or sexual orientation or any other aspect such as appearance or disability. Our ICE committee lead a fantastic assembly on Monday to help us understand this.

Key Stage 1 shared a book called Monty the Manatee about how we shouldn't judge people by the way they look, but it's what is on the inside that matters. Our anti-bullying workshops, led by Emily, were brilliant!

Today we have been fundraising for **Children in Need**. The sports leaders and JLT worked together to give all the children a fun time doing active 30s as a class e.g. how many beanbags can you throw into a hoop in 1 minute? To partake in the fun, pupils had to bring in £1, which will go to the charity. We've had a super sporty and spotty time and all for a good cause!

### Year 6 Assembly

On Tuesday, Year 6 led an assembly all about Marle Hall where they explained the four key themes underpinning the week: respect, challenge, team work and responsibility. Each group had different ways of presenting a theme e.g. a sketch, reading notes from their diary etc. All of the Year 6s really enjoyed doing the assembly. Kyle even said, 'I thought it was fantastic and I would recommend it as the best assembly ever!' Thank you to all the adults that came to watch and share our learning in the classroom afterwards and to Mr Filby who helped organise us.

### Cross Country

On the 10<sup>th</sup> November, the cross country team went to Priors Field, Kenilworth for the third race of this season. The hilly, muddy and tough course included a small, knee high stream and many brambles. Isaac in Year 6 commented, 'the stream had to be my favourite part because you think it's going to be cold but when you get in it is exhilarating.' We got some great results with Jess coming 18<sup>th</sup>, and the 5 girls ended up with an overall score of 4<sup>th</sup>. We would like to say a big thank you Mr Whiting and all the parents for taking and supporting us. By Jess, CTCN Reporter

### Boccia and Archery

On inclusive team from Clapham competed in a boccia and archery competition at Campion. In case you don't know, boccia is a form of bowls, but you sit down to play it. We won the whole event!

### HSA fundraising from your armchair!

Join Clapham Terrace Primary School HSA on Easyfundraising and we'll raise free funds whenever you shop online with any of their 3,500 retail partners - imagine the difference we could all make this Christmas! It's fundraising for free:
