

Heads Up

This week our focus has been on e-safety and we marked Safer Internet Day on Tuesday with an action-packed day, which you can read about below. It was really pleasing that so many of you were able to attend our online safety and educational resources information session on Thursday. We hope that you found it useful.

On Tuesday, we celebrated Chinese New Year in style with a delicious Chinese lunch. Thank you to Miss Walton, our cook, and her team for making this possible. We also enjoyed the Early Years' Chinese Parade today and hope that they had a fantastic time at the Phoenix restaurant.

Tonight we have the HSA quiz which promises to be great fun. The £5 ticket includes a pie and peas dinner. Hope to see you there!

Finally, tomorrow is the grand opening of our art exhibition at East Lodge in Jephson Gardens. It starts at 1.30pm and will be attended by the Mayor of Leamington. Please come and celebrate the children's amazing artwork at this joint community venture. There will be light refreshments available.

World Book Day - 7th March 2019

Come dressed as your favourite book character on Thursday 7th March. We can't wait to see all your fantastic costumes. We're also looking forward to welcoming back Steph Clarkson, Our Patron of Reading, who will be working with the children on the day.

Safer Internet Day

On Tuesday, we took part in a variety of different activities to celebrate Safer Internet Day. These included an informative assembly led by Mr Filby, e-safety competitions (comic writing in KS2 and creating mascots in KS1), workshops about making the internet a better place and Year 6 sharing their e-safety stories with the other years.

We would like to thank the staff and COST cadets for helping us with ideas for keeping safe online. By CTCN Reporters, Sebi and Tom

Tudor Day

On Monday, Year 3 and 4 visited Stratford as part of their topic learning on the Tudors. At Tudor World they learned all about Tudor crime and punishment.

"My favourite bit of the day was when Miss Braich got locked in the stocks," said Emilia C gleefully!

The children then did a tour of the famous landmarks of Stratford.

"My favourite building was Shakespeare's school," said Amelia J.

Evolution and Inheritance

In science, Year 6 have been learning about evolution and inheritance, starting with DNA and the characteristics that are passed on from parents to offspring (the scientific name for the child of any animal). They were exposed to lots of new words such as adaptation (the characteristics that an organism gains through the changing of DNA which happens when a cell is damaged and replicated). In the past week, they learned about the adaptations and their advantages and disadvantages. They also explored whether genetic mutations, like genetically modified food, cloning and doing modifications to give animals human features, are a good idea or not.

SPLAT 2 Fundraising

This week you will have received a letter from our lovely Art Ambassadors about several upcoming events to fundraise for the spectacular SPLAT 2 art festival. This festival is due to take place on 13th July 2019 and is organised by our SPLAT 2 committee and other children from Sydenham and St Patricks schools. Our committee has arranged 3 separate fundraising events over the next few months:

- ♦ A cake raffle, with cakes provided by Mrs Jordan
- ♦ A creative workshop where you can make something for Mother's Day
- ♦ A pyjama/onesie day with continental breakfast

Please join in and support our cause. Thank you! By Annabel, Isaac and Emilia, CTCN Reporters
