

Science has been our main focus this week and the children have participated in lots of exciting events. We began with a fantastic assembly led by Space Camp Sam. The range and quality of science projects that the children have produced for the Science Fair has been phenomenal.

Thank you very much to parents and carers who've supported their children with the projects. We finished the week with a fun-filled day of science learning; thank you to Miss Braich for organising the day and to Katie Kent from Champion for being our guest judge. You can read all about in the CTCN report below.

We are really proud of our Key Stage 1 gymnastic team who came 3rd in a tournament at Moreton Morell College last Friday. The competition was very stiff, but the team held their nerve and did incredibly well! Also on the sports front this week, Years 1-3 enjoyed a All Star Cricket taster session.

All classes have been involved in making Mother's Day gifts this week. Proceeds are going towards our SPLAT 2 Arts Festival, so we're very grateful for your contributions and hope you like your gift!

Finally, Red Nose Day has been a great success—thank you for your donations. We will let you know how much we raised next week.

Science Week

On Monday, Space Camp Sam led a really interesting assembly on Stephen Hawking and the Year 1 children did space training!

On Thursday, we really enjoyed our Rainforest Workshops with Ms Shaw. We observed live stick insects, a tarantula and scorpions as well as looking at a preserved piranha! We learned some fascinating facts about tribal people and their hunting methods and Ms Shaw demonstrated using a blow pipe and poisoned darts. Luckily it was only on a balloon!

Today we did some brilliant activities across the classes, including making ice cream, a simulated sneeze experiment and finding out all about neurons.

Sunday 23rd June Summer Fair

Wednesday 26th June Drayton Manor

Tues 10th July KS2 pm performance

Wed 11th July KS2 eve performance

Friday 12th July Summer Disco

Saturday 13th July SPLAT2 Festival

Mother's Day Craft Workshops

This week, the Art Committee have helped children make Mother's Day gifts. Everyone absolutely loved the workshops, making the colourful decorations to thank all the wonderful mums, grannies and aunties at Clapham Terrace. To take part in the fun, you had to bring in £1.50 which has gone towards funding the SPLAT 2 Art Festival which will take place on 13th July.

Happy Mother's Day!

By CTCN Reporter, Isaac

Nursery and Reception are out and about!

Over the week, small groups of Reception and Nursery children did a local trip. They walked to Leamington library, which is in town. They looked around the library, excited by the number of fantastic books they saw. Some of the books were adventures and others were funny. After visiting the library, they crossed over the road to Jephson Gardens, where they spent their money at the Aviary Café on a very tasty snack!

“I bought a chocolate biscuit and some chocolate milk. It cost £1. Did you know that there are 100 pennies in a pound?” said Charlie.

Dinner Menu Week 1

Monday

Pork Sausages

Vegetarian — Vegetarian Sausages

Tuesday

BBQ Chicken Fillet Bites in a Wrap

Vegetarian—Vegetable Pasta Bake

Wednesday

Roast Beef

Vegetarian — Veggie Toad in the Hole

Thursday

Mild Chicken Tikka and Rice

Vegetarian — Quorn Tikka and Rice

Friday

Breaded Fish Fingers

Vegetarian—Vegetable Fingers

EVERY DAY:

Marathon Kids

Marathon Kids has been launched by Miss O’Kelly. We are running the perimeter of the playground, totting up marathons (or mara-funs!). Running builds up stamina and physical strength and is a great addition to our already active school day. We have a leader board showing which class has the most number of laps (this take a bit of maths to work out—great for our brains too!). Who knows, some children may be running faster than Usain Bolt (but hopefully they will not strain their hamstrings in all the effort!)

By Harshvardhan and Sebastian, CTCN Reporters

Gymnastics

On the 8th of March, a group of children from KS1 took part in a gymnastics event. They were accompanied by Mrs Ozaslan and were trained by the more than skilful Mrs Miles.

We were lucky enough to get an interview with Harris, who participated in the event. We asked him what his favourite part of it was and he told how he loved, “Going on the apparatus”.
