NOTICE BOARD

We update our notice boards in Rockets corridor each half term. They consist of our half termly plans informing you of all the fun activities your child will have the opportunity to take part in daily/weekly.

There is also a board informing you of your reception class child's key-worker.

Keyworkers are given to Reception age children so they can work closely with them and get to know your child's likes/dislikes. This helps your child/children to settle into Rockets and enjoy their time with us.

Please come and talk to any member of staff in Rockets and we will all be happy to let you know how your child/children are settling in and what they have been taking part in during their time at Rockets.
