

Today, end of year reports have been sent home with your child. Please look out for them in their bookbags. They are written for you as a parent or carer, but should be shared with your child. Please can you also take the time to complete and return the acknowledgment/comments slip. Your feedback is much appreciated.

Our Year 5 flautists us with their performance for parents on Tuesday. Work also began on our art project celebrating 50 years of friendship with our twin town Sceaux, in France. Rehearsals for the KS2 production are in full swing and we're really excited about the performances next week on Tuesday afternoon and Wednesday evening. Key Stage 2 parents have already been invited to attend, but all other parents are most welcome too.

Thank you to all the parents and carers who came to the Reception and Year 1 transition meetings this week. We hope that any questions or concerns you may have had about the next academic year have been answered.

Today our rounders team are at Warwick University, battling for a trophy in the county final. We wish them the best of luck and will update you on the results next week.

Fantastic Flute!

On Tuesday 2nd July, Year 5 performed on their flutes. They've been learning with an amazing teacher called Miss Butlin who has taught them how to play the instrument and understand music. They have learned a song called Mr. Cool', practising very hard to get it correct and it has really paid off! Parents and carers really enjoyed their amazing performance and were impressed by their confidence. We would love to see them play again!

Severn Trent

On Monday, we had an assembly led by a visitor from Severn Trent water company. She talked to us about the human water cycle and how to stop water wastage. She also mentioned what should go in the toilet! Here are some rhymes she made to help us remember:

- It only goes down the loo, if it's toilet paper, wee or poo.
- The 4 Ps: poop, puke, pee and paper of toilet-ness.
- If it comes out of you, then it can go down the loo.

She didn't stop there though, as she gave a workshop to Year 5. They enjoyed learning about water and liked the games they participated in.

Sceaux X Leamington

The Leamington International Twinning Society (LITS) is celebrating 50 years of friendship with our twin town Sceaux, a commune on the southern side of Paris. The LITS chose our school because of all the fantastic artwork we've done recently around Leamington.

We've been commissioned to create several pieces of unique art which will be displayed in the Town Hall in October, when people from Sceaux will be visiting. In Year 1, they are creating bright and colourful collages of animals and birds inspired by the artist Emma Caplin. Year 5 are also doing a form of paper art inspired by French artist, Matisse. Year 6 are following the collage trend and are cutting and sticking different images from the two towns as well as extra drawings on the side. These pieces will all be different and special. Splat 2 Festival Choir

In the last 2 months, the Clapham Choir (children from Years 2 to 6) have been practising songs with actions every Friday lunchtime in preparation for a big show: the Splat 2 Festival! The children will perform the songs they have learnt and demonstrate their fantastic singing in front of the crowd. The songs they will sing are: Swing Thing, Viva La Vida and We Are The World. We wish them the best of luck for the performance and are looking forward to hearing them on 13th July 2019 in Jephson Gardens. We hope that many people will visit the gardens on the day and enjoy all the fantastic activities that are taking place.

Amazing Mrs Clarke!

Here is Mrs Clarke accepting the Most Inspirational Teacher award at Marathon Kids. She would admit that prior to the introduction of Marathon Kids at school she was a reluctant runner. She and her team have embraced the project, running every day with children, who absolutely love it. Mrs Clarke is now even considering doing a 5k!
