

Heads Up

Three weeks into term and the children are thriving. Reception have done their first full week and no doubt we have some rather tired children in school, but well done to them for settling in so well.

Year 5 started whole class ukulele lessons this week with Miss Honey from Warwickshire Music Services. We look forward to a performance once they have got the hang of it!

This week we launched our Bake Off competition. Children in teams from Years 1, 3, 4, 5 and 6 have baked a range of recipes including gingerbread, scones, shortbread and muffins. Next week it's the turn of Reception and Year 2 and finalists from each year group will be announced in celebration assembly next Friday. Thank you to all the parents and carers who have volunteered to come and help and of course to the judges.

Andrew Craner Photography will be in on Thursday 10th October to take individual school photographs. Children will have the opportunity to be photographed with their siblings.

Tomorrow, it's the first fixture of the Primary School Cross Country League at Southam College (Year 6) and next Thursday, we're celebrating the Rugby World Cup 2019. See box below more information.

Rugby World Cup Day Thursday 26th September

Years 1-4

Come to school in a rugby or sports kit to celebrate the Rugby World Cup! You will be doing sporting activities with Mr Payne.

The Clubs Have Commenced!

The Clapham Terrace lunchtime and after school clubs have started again!

"I enjoy the activities we do in Book Club, like writing about some of our favourite books. My favourite book is 'The Lost Magician' because it is very action packed and exciting. I also enjoy the different variations of books!" Robert P, Year 4.

"I love drama club because the acting is great fun. At the moment we are acting out 'A Midsummer's Night's Dream' by William Shakespeare." Robert N, Year 5.

Spanish Club also began on Monday lunchtime. The children have fun talking to each other in a different language!

Egyptian Adventure

Last Friday, Years 3 and 4 went on an adventure to Birmingham Museum, to learn about the Egyptians. First, they did artefact identification, where they looked at different artefacts and found out what they meant to Egyptians. Both

classes watched the mummification process on a dummy, and saw the dummy's organs get pulled out! Then they had a look at canopic jars, where the pharaoh's organs were stored. Mr. Whiting commented, "It was a fantastic day, all of the children learnt a lot."
