

September and October 2019

A big hello to all our new parents/carers and children in Reception and welcome back to school, after what we hope was an amazing summer holiday for you all! We aim to take the children outdoors as much as possible while we still have some warm weather, so please send your child/children with the appropriate clothing and sun cream that they can apply themselves in a labelled bottle.

Themes and Topics

Rockets will be exploring our five senses and learning all about ourselves this half term. We will be role playing medical practitioners and also going on sensory walks and having some yummy food tasting sessions. We have an outside provider bringing some animals in for us to enjoy on 1st October, 4pm—5pm!

IMPORTANT NOTICE

Please check your child/children's bookings are correct and please contact Miss Fletcher asap if you have any questions or changes to your bookings this half term. Remember that if your child attends a club run by school or an outside provider you are NOT required to pay for Rockets until the club finish time. We are attempting to work closely with school to ensure this runs smoothly, but please bear with us as there may well be teething problems. I will work out your bill accordingly. Please speak to me if you have any questions and I will clarify.

“We made watering cans from old milk bottles.” Emily

“We love our new trim trail!” Boris

NOTICE BOARD

We update our notice boards in Rockets' corridor each half term. They consist of our half termly plans informing you of all the fun activities your child will have the opportunity to take part in daily/weekly.

There is also a board informing you of your Reception class child's key-worker.

Keyworkers are given to Reception age children so they can work closely with them and get to know your child's likes/dislikes. This helps your child/children to settle into Rockets and enjoy their time with us.

Please come and talk to any member of staff in Rockets and we will all be happy to let you know how your child/children are settling in and what they have been taking part in during their time at Rockets.

Playing basketball with Mr Payne.

“I won a medal for scoring the most basket balls.” Billy
