I have been amazed by the quality of the baking in the Bake Off finals this week! The finalists have thought really carefully about their 'creative cupcakes' and the delicious results show their hard work and planning. Thank you to the parents and carers of the finalists for your support, and to all the other helpers we've had this week. Congratulations to our winners, who will feature in next week's edition.

Mrs Clarkson led an assembly on Tuesday all about Harvest. This year we are collecting for the Community Café at St Mary's. They have asked for store cupboard staples e.g. rice, pasta, tinned beans, cooking sauces etc. Please bring in any donations next week. Year 4 will be leading our Harvest Festival assembly on Friday 11th October at 2.30pm. Hope to see you there!

Year 3 Magical Music Lesson

Year 3 had their weekly music lesson on Monday. All the children learnt to play rhythms and melodies using a range of instruments. It was a magical lesson that could be heard across the school; beautiful sounds were floating out from their classroom. They played "Let your spirit fly" Sam said, "I really enjoyed the lesson because we got to hear lots of different pieces of music."

George played the tambourine and said, "It was great fun!"

Carl's Outdoor Learning Group

A group of children have taken their learning outside, based on the Forest School initiative. Outdoor learning is great for team building, confidence, trying new activities and independent working. The children use natural materials and this week they've made stickman homes and boats! There will be opportunities for many more of our children to become involved over the course of the year.

Safety Issues

A resident in Davidsdon Avenue has contacted school expressing concern about the speed that cars are going up the road at drop off and pick up times. Please could you be mindful of our neighbours, other drivers and pedestrians at these busy times. Thank you for your support.

Tremendous Town Trip

Last week, Year 5 & 6 went on a trip in Leamington Spa to find out about Victorian England. "It was so much fun," commented Jusmine. Year 6 went to see the Elephant Wash, whilst Year 5 went to the Royal Pump Rooms to meet two Victorian ladies. Then we went to Jephson Gardens and looked at the Davis Clock built in 1925. Afterwards, we walked through the sensory garden, before looking at the Jephson Memorial. Next we went to the Town Hall, where we looked at the Assembly Hall. Finally we looked at the Regent Hotel which in Victorian times only had one bathroom! By CTCN reporters Holly, Jusmine and Jasnoor

Sensational Swimming

Year 5 are enjoying swimming lessons every Tuesday and they are all learning new techniques to help them swim. Some children weren't particularly confident at first, but they are improving every week. Harlin said, "Swimming is fun and it keeps you fit and healthy. It is one of my favourite activities!"

They are learning the different swimming strokes and how to float in the water. The children have great fun jumping into the water!

Top tip for Year 5: Always remember your swimming kit!
