

Our particular focus this week has been on science learning and Year 5 delivered a fantastic assembly on space.

Our indoor athletics team enjoyed the final; they were placed 1st for small schools and 7th overall.

Thank you to all the parents and carers who gave us feedback about the Bedtime Story Event. This was overwhelmingly positive—98% found the curriculum presentation useful and 96% said their children enjoyed the stories. Your comments were very useful and will go towards structuring future events.

Fire Safety

Last Wednesday, Year 1 and 5 had a fire safety day. Firefighters from Leamington Fire Station came to visit. They explained the importance of smoke alarms and what to do if there is a fire in your home. They also taught us the three steps a fire victim should follow to minimise injury in the event their clothing catches fire—stop, drop and roll.

They discussed with us having a Fire Action Plan we can share with our families. This Action Plan includes what to do if your smoke alarm ever goes off: check the door for heat with the back of your hand, if it is hot stay where you are, if it is cold you can leave the room.

Year 5 Assembly

We thoroughly enjoyed Year 5's Space Assembly on Wednesday, which showcased their learning from science and interviews from literacy. Thank you to all the parents and carers who came along to watch and share the children's learning in the classroom afterwards.

Year 5 Dodgeball, Youth Sport Trust

Year 5 have been invited to a Youth Sport Trust dodgeball competition. The competition will be filmed for the Youth Sport Trust YouTube channel. The filming and the competition are part of a nationwide initiative to increase participation in dodgeball. Following the filmed session, a squad of nine children will be selected for an external competition.
