

# Heads Up

We've had another fantastic week in school. As part of anti-bullying week, the children have taken part in daily activities to highlight what bullying is, how children can deal with it and how staff will tackle any issues.

Our boccia and archery teams wowed us with their achievements at Newbold Comyn and our football team had a resounding victory at Kingsway (12-0!).

On Wednesday evening we held a bedtime story event to inspire reading for pleasure amongst the children and to give parents and carers more information about our broad and varied curriculum. Thank you to all of you who came along and a special thanks to staff and governors for reading their favourite books to the children. I think that you'll agree it was a very enjoyable event. We would be very grateful if you could take the time to complete the evaluation form.

Next Monday, we're looking forward to Ricky's Dance for Year Reception, 2, 3 and 4. These classes will be performing to parents and carers at a special assembly at 2.30pm.

### Year 6 Assembly

On Wednesday, Year 6 led an assembly on their trip to Marle Hall, highlighting the four key themes (discover, explore, conserve and share) which underpinned their week. They are based on the John Muir Award. Thank you to all the adults that came to watch and share our learning in the classroom afterwards.

### Children in Need

Today we have been fundraising for **Children in Need**. The JLT and sports leaders worked together to give all the children a fun time doing an exercise class led on screen by Joe Wicks, the famous body coach. To partake in the fun, pupils had to bring in £1, which will go to the charity. We've had a super sporty time and all for a good cause!

### Remembrance Day

On Monday, the whole school was thoroughly engaged in an assembly led by Mrs Ashcroft. The children learnt about the remembrance flowers, which are the **yellow** marigold and the **red** poppy. The **red** on the poppy symbolises the blood of the soldiers, the **green** symbolises the new hope and the black symbolises the mourning. On the 11<sup>th</sup> hour we had our one minute silence to reflect the on the sacrifice the soldiers made to save us and our country. We also remembered the civilians who lost their lives during conflict. We thank the soldiers who sacrificed their lives for us. We also acknowledge our thankfulness to the emergency services who help take care of us all. By CTCN reporters, Milla and Huxley

## Space Camp Interview

Hello, this is Clapham Chat Live, and today I will be finding out about Space Camp from our VIP guest Naomi!

Hi Naomi, I'm Rosie. Okay, lets get this show on the road! I bet you're really tired Naomi! What exactly was Space Camp then? I've heard lots about it.

*It was like a school sleepover, but we slept in cool space pods! We also took part in fun activities!*

You slept in space pods? Awesome! I'd love to do that. As you mentioned activities too, would you like to tell me some more about them?

*Well, first we went to the planetarium. It was amazing! A man told us about the universe in a giant dome. Then we went stargazing!*

Wow! You sound like you had fun. Can you expand on the sleeping pods?

*So, we all had a pod partner that we slept with in our pods. They were a bit like tents that could fit two in.*

Who was your partner and how did you choose them?

*My partner was Sophia and she fell asleep straight away! We all had to write down three friends, and the teacher decided our pod buddies. In the morning, we had breakfast at school!*

Yum! Well, it's been a pleasure talking to you Naomi but it's now time for you to go. Bye Naomi!

## Car Park Safety Issues

**Please could we ask again that you do not park across the entrance of the car park when dropping off and picking up children from Rockets and that you are extremely cautious when turning your car around. We have had several near misses! Thank you for your support in this matter.**
