

### January and February 2020

Welcome back, we hope you had an amazing Christmas and a Happy New Year!

We have a variety of fun activities planned this half term including designing the people who help us and even a science experiment! For our science experiment we will be investigating how fast ice melts depending on different factors. We will also be discussing whether it is a liquid or a solid or even both?

Experiment!

### Themes and Topics

We will be looking at people in and around our community that help us in a variety of ways, so look out for our art work.

Also we will be role playing as doctors in our Rockets Surgery.

The children will be writing prescriptions and bandaging each other as well as booking appointments in

### IMPORTANT NOTICE

Rockets payment system LIBACURA is closing down so we are currently in transition to a new one called Nursery in a Box.

Please look out for an email where you will be required to add some contact details.

Payments will be staying the same through bacs transfer and childcare vouchers but you will no longer be able to pay through Go Cardless.

Please check your bookings via the system after creating yourself a log in and let me know if you have any problems.

Please bear with me during this transition. We will do our best to ensure a smooth transition but may come across some teething problems to begin with.

## NOTICE BOARD

We update our notice boards in Rockets' corridor each half term. They consist of our half termly plans informing you of all the fun activities your child will have the opportunity to take part in daily/weekly.

There is also a board informing you of your Reception class child's keyworker.

Please could we ask that Rockets parents do **NOT** use the staff carpark for dropping off and collecting children from Rockets as a health and safety precaution.

Please come and talk to any member of staff in Rockets and we will all be happy to let you know how your child/children have been and what activities they have been taking part in during their time at Rockets.
