

We thoroughly enjoyed Year 3 Assembly on Wednesday morning. It was based on the book they've been reading called Once upon a Wild Wood by Chris Riddell, a story packed full of familiar fairy tale characters as you've never seen them before; I think you'll agree that the singing was beautiful! Thank you to the parents and carers who came and shared the children's learning afterwards.

Tonight it's the HSA Movie Night. We wait with bated breath for the result of the children's vote! Please can you try and walk to the event if you can, to avoid gridlock on Clapham Terrace. If you do need to drive, please consider parking on nearby streets (Farley Street off Radford Road, or Berrington Road on the industrial estate) or car sharing. Children are very welcome to change into their pyjamas/onesies at school if it makes it easier. Just a reminder too, that we cannot accommodate older siblings who do not attend Clapham Terrace at this event. Thank you!

Amazing Archery

On the 13th January 2020, an exciting archery club started for Rockets and Early Birds. In the first week they played some games to get them warmed up and introduced to the club. Then they started using real bows and shot targets.

"Archery is great fun and I think more people should try it, because it's good for your core and your spine."

Eco-activists Assembly

On Monday morning, the Eco-activists did an assembly on climate change and recycling plastic waste. Did you know things like crisp wrappers are recyclable? At school, we now recycle pens by putting them in a plastic tub every time the ink runs out. Also, if you store them in the pen pots facing down, they will last longer, which is what we want!

HSA Update

Made any New Year's resolutions for 2020? No? Then why not get involved with the HSA! It's a great way to raise money and give a little back to our much-loved school.

The Home School Association is a charity run by parents, carers and staff from Clapham Terrace. Our aim is to run family-friendly events that build even further the fantastic community spirit within the school, and raise much needed funds to support all its pupils.

Since September we have raised more than £3,200! How, you may well ask? Well by:

- baking 540 cakes sold at the year 3 and 4 cake sales
- making and selling 95 photos at the fantastic early years and key stage 1 nativity performances
- raising £760 from the fabulously spooky Halloween disco
- making and selling 1,400 personalised Christmas cards
- making a very festive £1503 from the Christmas fair!

And remember all this, and more, will be ploughed back into enriching our children's education, with activities such as Ricky's dance, creative projects with local artists and a hidden history workshop, heavily subsidised trips to the panto and farm park, new musical instruments, and if we can raise enough funds, much needed improvements to the bike and scooter storage area.

A huge thank you to everyone who has given up their time to help run stalls, set up and tidy away at the end of events, bake cakes and offer prize donations to the raffle and stalls.

We are hoping to make a further £2500 from upcoming events such as film night (Friday 24th January 5pm), Quiz night (Friday 7th February 7.30pm, adults only), Easter egg bingo, and the Great Clapham Run. And a further £2500 from the Summer fair and Summer disco.

None of these incredible events would be possible without ongoing help from parents, carers and staff. So whether you want to join the HSA committee, have a new fundraising idea or a skill that might be useful, maybe you work for a company who may be able to sponsor one of our events, or have a couple of hours you could spare to help out at an event, we'd love to hear from you. It is definitely a case of every little helps!

Please look out for requests for help via school messages and from the HSA representatives in each year group, or contact Claire Finch for more information (07833 404232).

The next HSA meeting will be at The New Inn at 7pm on Monday March 2nd. We would love to see you there!

Let's keep on making Clapham great!

Creative Cooking Club

This term a new club started: Bayleaf Cookery. In this cooking club you can bring your mum or dad and any siblings or all of the above.

They cook some delicious recipes; last week they cooked tomato soup, soda bread and herb butter.

This week they're cooking vegetable lasagne. Aiden in Year 3 said his favourite thing about it, is the chopping and he looks forward to cooking pizza! Sebby in Year 1 said he looks forward to making a pudding. Yum that, sounds delicious!

Reggie in Reception says he's looking forward to finishing the vegetable lasagne.

Marathon Kids

Clapham Terrace parents and carers have now got the Marathon Kids app to record our progress out of school. It's like a fit bit tracker and at the moment Year 1 are leading the way. On the 31st January, Marathon Kids are going to check out our fantastic school to see how we do it without a field. Also, we are going to have a filmed interview for parents to talk about their experience of running. There will also be 3 children that will be filmed for TV! By CTCN reporters, Max and Arthur

Amazing Art

Mrs Gougeon has been busy with several students from each class creating some spectacular sketches and paintings of flowers.

First, they drew out their flowers that they chose and did some impressive shading. After that, they did their first practice painting. They also did their final painting on canvases!

Time for an interview with Holly:

Hello Holly. What flower did you paint?

A rose.

Nice, did you enjoy painting on the canvas?

Yes, it was really fun!

What did you find most difficult?

The swirling petals because they all revolve around the middle.

Another big thank you to Mrs Gougeon for supporting all of the children and preparing the art sessions. By CTCN reporter, Rosie
