Clapham Terrace Community Primary School and Nursery

Attendance Policy

This policy reflects the DfE guidelines which came into force September 2013 which state:

'Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances'

Clapham Terrace Primary School would interpret "exceptional" in this context as being of unique and significant emotional, educational or spiritual value to the child, outweighing the loss of teaching time. The interpretation will have different parameters from one case to another but, **normally, requests for authorised absence will be refused.**

The process involved within this policy is also applicable to children registered in our Nursery. Although pupils are not required by law to attend it is seen as good practice that parents follow the same procedures in preparation for full time education.

Clapham Terrace Primary School is committed to providing a full and efficient educational experience for all children. We believe if that children are to benefit from education, good attendance is crucial. As a school we do all that we can to ensure maximum attendance for all children. Any problems that prevent full attendance will be identified and addressed as speedily as possible.

It is the policy of our school to celebrate good attendance through weekly, half termly, as well as annual reward systems, based on children achieving 99.5 % or 100% attendance. Children attending less than this, will only be considered for a reward if absences are supported by relevant religious or medical evidence. Attendance is a critical factor in a productive and successful school career. Our school will actively promote and encourage 100% attendance for all our children.

Our school will give a high priority to conveying to parents or carers, and children, the importance of regular and punctual attendance. We recognise that parents have a vital role to play and that there is a need to establish strong home school links and communication systems that can be utilised whenever there is a concern about attendance.

If there are problems which affect a child's attendance we will investigate, identify and strive in partnership with parents and or carers, and children, to resolve those problems as quickly and efficiently as possible. We will adopt a clearly focused approach aimed at returning the child to full time attendance at all times.

Objectives

- To encourage full attendance and punctuality
- To monitor attendance and apply appropriate strategies to minimise absenteeism
- To acknowledge and celebrate a successful record of attendance
- To make attendance and punctuality a priority for those associated with the school, including parents or carers, children, teachers and governors
- To provide support, advice and guidance to parents or carers and children
- To work effectively with other services and agencies to support these objectives
- To ensure a consistent approach throughout the school

Information

This outlines the policy information operated by the school, which will be considered when dealing with attendance and punctuality issues:

- We have clear start and finish times for registration: the school opens at 8.50am; the school day starts at 8.55am and registration closes at 9.05am
- We have guidance for staff on the accurate completion of registers

- We emphasise the importance of punctuality and responding to lateness; if a child arrives at school after 9.05am they will be marked late; less than 90% punctuality will be followed up, or any patterns in absences e.g. regular Mondays or Fridays
- There will be daily contact between parents or carers and school when a child is absent
- In line with the Health Protection Agency guidelines, a period of 48 hours absence is required for any pupil vomiting or having diarrhoea; such absence due to illness is authorised
- We give clear guidance to parents or carers that Headteachers may not grant leave of absence during term time unless there are **exceptional circumstances**
- We have clear referral routes, with designated staff roles and responsibilities for pupils with emerging attendance problems; parents or carers of children with attendance below 90% will be contacted
- We monitor progress towards attendance targets
- We evaluate the impact of this Attendance Policy and will plan any improvements needed in our practice in the Schools Development Plan (SDP)
- We include attendance information in school documentation, e.g. the prospectus, reports, newsletters, Home School Agreements
- Annual reports to parents or carers include a record of their child's attendance
- The Headteacher's termly report to the Governing Body records the attendance figures for the academic year to date

Practice

The school will recognise the importance of good practice by:

- Keeping and maintaining registers accurately
- Maintaining a consistent approach to marking registers
- Regularly analysing attendance data
- Ensuring prompt follow up action in cases of non-attendance and lateness
- Reporting missing children to the Local Authority
- The school absence line is checked daily and parents are contacted if no message has been received explaining the child's absence for that day
- Monthly reports are generated highlighting any children who have dropped below 95% attendance, letters are sent to these families and meetings are arranged to discuss how the school can support
- Attendance Action Plans are put in place if no improvement is made following the early support offered through the meetings.

It is essential that everyone involved in promoting attendance is clear about the importance of this issue in raising standards and improving school effectiveness. Promoting good attendance is the responsibility of the whole school.

Any unauthorised absence is damaging to a child's education as well as reflecting badly on the school. It also gives children the wrong message about the importance of education, which may lead to problems later in their schooling. Good attendance and punctuality are important values for later life.

Notes for parent's or carers completing an application for Leave of Absence during term time, in exceptional circumstances only. (See form at Appendix B)

Every half-day absence from school has to be classified by the school (not by parents or carers) as either *authorised* or *unauthorised*. The 2013 DfE amendments make it clear that:

'Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances'

Any application of leave during term time must be made at least 3 weeks in advance.

1. Illness – If a child is absent as a result of illness the absence is **authorised** providing that it is reported to the school on each day of the sickness by telephone, in person or in writing by the parents or carers. Extended illness may need to be evidenced with doctor's notes.

2. Medical and dental appointments: as far as possible, appointments should be made out of school hours. If a medical or dental appointment has to be made during the school day, the school must be informed beforehand stating the time of appointment in order that the absence can be **authorised**. Appointments should be made to miss as little of school as possible. All children must be signed out before they leave school to attend the appointment and signed in when they return.
3. Parents or carers do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances and the Headteacher must be satisfied that the circumstances warrant the granting of leave.
4. Family bereavements, critical operations, hospital visits: the school recognises that the death or serious illness of a family member can be a particularly traumatic event and the school has the discretion to **authorise** such an absence. *A Leave of Absence in Exceptional Circumstance form must be completed and supported by the any relevant supporting documents.*
5. Days of religious observance: absence due to participation in a day set aside exclusively for religious observance by the religious body to which the parents or carers belongs is **authorised** by the school. A minimum of 3 weeks advance notice is required. ***A Leave of Absence in Exceptional Circumstances form must be completed and returned to the office, and supported by any relevant supporting documents.***
6. Absences for social occasions such a birthday, weddings and family outings will not normally be authorised by the school and would therefore be *unauthorised* absence, *unless supported by evidence, which highlights the unique nature of the event.* ***A Leave of Absence in Exceptional Circumstances form must be completed and returned to the office.***
7. Family holidays: **family holidays during term time will not be authorised.**

Applications for leave of absence, which are made in advance and refused, will result in the absence being unauthorised. Unauthorised absence may result in action against the parent or carer, either by a fixed penalty notice or if there is a failure to pay then followed through by the courts.

Monitoring and Evaluation

It is importance to set realistic attendance targets; these may be set in consultation with the Local Authority or with the Governing Body. The school will look at those interventions which have been successful as part of the evaluation process. Our school target for school attendance is currently 96%. The Governor responsible for overseeing attendance is Pat Dorling.

When evaluating success the school will consider whether or not:

- Patterns and trends in the school's attendance and children's punctuality are improving
- Parental response to children's absence has improved
- The school has been successful in raising the profile of attendance by celebrating good attendance within the school, governing body and the local community
- Children and parents or carers are fully aware of the importance of punctuality and regular attendance, and are aware of the attendance procedures operating within school
- Parents or carers and governors are made aware of the current law on attendance
- Attendance issues have been included in topics in school assemblies or PSHE lessons

The Curriculum and Standards Committee of the Governing Body will review this policy every three years, or earlier, if necessary, or if there are changes to attendance guidelines.
