

It is hard to believe that we are now half way through this academic year. Time is flying by!

On Tuesday it was Safer Internet Day and the children have been learning all week about how to be safe online, including online identity and privacy. Year 6 shared their safer internet stories with Reception.

Mrs Hothi announced our science project competition, with an emphasis this year on space. Children can complete this project as their home learning. The launch was accompanied by a visit from an astrophysicist from the University of Warwick who worked with Year 6.

I was immensely proud of our children this week at Warwickshire's got Talent. There were 40 acts taking part and it was a tough competition. Our school was represented by 41 children across Years 2 to 6. They were superb; they most definitely lived up to the values of the school games (teamwork, determination, passion, respect, honesty, and self-belief) and were awarded first place in the values category!

We've had a jam packed half term. Now it's time for a well deserved rest and we look forward to seeing you on 24th February!

Year 5 and 6 visit the Houses of Parliament!

Last Monday, Year 5 and 6 visited the Houses of Parliament. Once they'd passed through security, they visited the main gallery and saw lots of statues and paintings of monarchs and important people who have worked in the building. They looked at a model of the building in King Henry VIII's time. After that, they moved on to the House of Lords. They weren't allowed to sit on the chairs, but they could still stand up in front of them. They saw where the Queen and her eldest son, Prince Charles, would sit.

They discovered that the people in the House of Lords are picked by the Queen as experts and the Members of Parliament (MPs) are elected by the general public. Next, they went onto the House of Commons where the MPs sit. They had a question and answer session with Matt Western, our local MP. It was a fascinating day out.

Sex & Relationship Education

You should have received a letter about our parent briefing meetings, which will be held on 26th February 2020. They will be led by Jonny Hunt, who is a relationship and sex education consultant who co-wrote the scheme, so you will have the opportunity to talk through the programme with him. The briefings will be held at 9.00am, 2.15pm and 6pm.
