## Spring Term 2 2020

Welcome back, we hope you had a lovely break!

We have a variety of fun activities planned this half term including growing and planting some seeds, role playing in our café and making something chocolatey for Easter! Yummy.

Hopefully the weather will be warming up, so we will be spending more time outdoors playing games and even doing some tile painting.

Don't forget to look at our display about 'people who help us'.

## Themes and Topics

We will planting some seeds and watching them grow and discussing how we as humans grow and change.

Also we will be role playing as flower/plant shop keepers and then running our own make believe café.

The children will also be making chocolate nests and eating Hot Cross Buns!
