

Science learning has been the key focus this week, with a launch assembly on Monday, a day of exciting experiments on Wednesday and our fantastic science fair today. The quality of the projects is once again outstanding. A huge well done to all those children who submitted a project. More information on who will be representing Clapham at the University of Warwick's science fair later in the year will follow shortly. Thank you to staff, Mrs Hothi in particular, for organising such an enjoyable and interesting week.

Following on from last year's positive feedback about the venue, we will be holding our sports morning at Edmondscote athletics track again this year. Years 2 to 6 will go by coach on Friday 19th June. We would welcome you joining us to spectate. EYFS and Year 1 will have their sports morning at school on Friday 10th July.

Clapham's Super Science Fair

This Friday, we held the annual Science Fair. We showed off our interesting, imaginative projects and Mr Filby commented, "I was very impressed with the diversity of the projects." We held the Science Fair in both the halls, as the combined space was needed to display all of the projects! Everyone loved watching the children present their projects and those presenting their projects enjoyed it enormously! Arthur exclaimed, "I was amazed at how many people participated this year and I was delighted to see all their different projects!" By CTCN Reporters Holly and Jusine

Year 2 Assembly

On Wednesday, Year 2 shared their science learning in an absolutely frogtastic performance. Currently they are studying the life cycle of frogs. Finley said, "I really enjoyed singing the frog song and doing the actions with it." Thank you, Year 2, everyone found it really entertaining. A massive thank you to all the parents and careers who come and watch and share the children's learning afterwards. By CTCN reporter Shreeya

- Friday 10th July** EYFS and Year 1 Sports morning, times to be confirmed

Celebrating the Commonwealth Games

On Monday, a group of children joined the Chairman of Warwick District Council, members of the Birmingham 2022 Commonwealth Games project team, Bowls England and local bowls clubs to find out about the exciting plans taking shape for when the Lawn Bowls and Para Bowls competitions come to Royal Leamington Spa.

During the visit, they enjoyed a game of indoor bowls and watched the commonwealth flag being raised on the balcony. They also had the opportunity to chat to the Council's Commonwealth Games Project Manager and Commonwealth Games gold medallist Christina Boxer.

Leadership Event

On Monday, a group of children from Year 4 and 5, went to Newbold Comyn to take part in some sporting activities. They learnt leadership skills, collaborating with other schools. They played lots of games, learning how to work as a team by passing a ball in a circle. Shreeya in Year 5 said, "I had a really nice day and my favourite part was holding a plank for two minutes."

They learnt about S.M.I.L.E (Safe, Mass-Participation, Inclusive, Learn and Success). All of the skills that they learnt will help them with leadership and they can't wait to put them into use at Clapham.

Year 5 & 6's sensational trip to St Mary's church!

On Monday the 9th of March, Year 5 & 6 visited St Mary's church to learn more about what is important to Christians. They discovered all the charities that St Mary's church support, including Foodbank and Cord. They also got the chance to ask questions about Christianity and the church.

During their time there,

they tried to feed each other marshmallows to show how we can support each other and they also watched a video about Easter.
