Topic:

This week we are looking at Hot and cold Climates.

Read through the presentation then choose from 3 activities. Draw a suitcase packed for a holiday, make a map or compare weather in the UK and Australia.

Extra Challenge:

This week we would like you to share your musical interests with us. We would like you to create a profile for your favourite artist/band. Try to include interesting facts and use bright pictures. If you are feeling brave you may want to video yourself singing your favourite song!

It has certainly been a much warmer over this week, but thankfully we have still been able to go out for our daily exercise. Do keep safe in the sun.

We hope you enjoy completing this week's learning. Remember to just do what you can. Take care and stay safe.

Best Wishes,

Mrs Fairhurst and Mrs Clarkson
