

Dear Year 3,

Hoe gaat het?

Hi all, once again I hope you are well and that you and your families have had a good week. School is getting a little bit busier, I'm still hopeful I will see some more of you before the summer break. Keep going with your routines that you have established and keep having a go at the home learning. By next week we will have been able to watch some more live sport, I'm certainly looking forward to that. Hopefully you have been able to get outside either riding your bike, scooting or running some Marathon Kids. If anyone want me to phone or chat then have your adults email the school office and we can sort out a time.

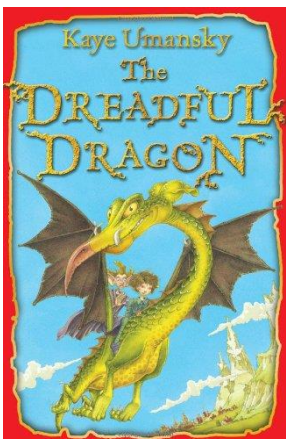

For music this week, I have been thinking about more of a classical style. The BBC have produced some lessons using classical music. They have chosen 10 famous pieces including work from Beethoven, Handel, Holst and Mozart and have thought of different ways to use these pieces to introduce children to this style. Have a look at this link if you are interested.

Reading

Keep up with your reading for pleasure.

Mrs Hothi recorded the next chapter of The Dreadful Dragon – Ronald's Room.

<https://www.youtube.com/watch?v=2EH4KIOlrqs&t=1s>

Have a think about what has happened over the last couple of chapters, think about Ronald's personality and how he gets on with the other wizards. I'd then like you to write about what you think will happen to Ronald in the next chapter of the book. Can you put together a comic strip to show your prediction?

Spelling Shed

Spellings

There is a new set of spellings for you to learn, remember to use a few different way to learn them, try writing them into sentences as well as 'look, cover, say, write.' Then have a go at the web games and the assignment that has been set.

Mrs Rooney has done a phonics lesson to help with some of our spellings, have a go at some of the activities if you feel like you would like a bit of a spelling boost. <https://www.youtube.com/watch?v=whfCzBNHDX>

Maths

Harder (Year 3)

Please choose Summer Week 9 22.6.20.

This week's focus is angles and lines.

<https://whiterosemaths.com/homelearning/year-3/>

Hard (Year 2)

Please choose Summer Week 9 22.6.20 this week's focus is on lengths and mass.

<https://whiterosemaths.com/homelearning/year-2/>

Optional

If you would like to try something different click on the Isee reasoning links <http://www.iseemaths.com/lessons34> and have a go at the Year3/4 problem from Wednesday 3rd June – planning a journey.

Please keep practising your times table on TT Rockstars! This will help you lots when you are in Year 4. <https://trockstars.com/>

Finally have a look at the video I have recorded playing Hit the Button, see if you can beat my score, let me know how you get on.

<https://www.youtube.com/watch?v=9Q2K5TJXeQw>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Literacy

This week's focus is fiction writing – finishing a story. There are five lessons again, but remember to do what you can, that may mean you choose a specific lesson from the week to have a go at

<https://classroom.thenational.academy/lessons/poetry-reading-comprehension-word-meaning-b74973>

Geography

Big Question: What are the range of climates in North America?

Your task is to find out information about two places with different climates in North America. For example you could look at the different climates in the desert and forest regions. You should research and record information about the different climates. If you are feeling brave you may want to record yourself presenting a weather report.

Science

Have a go at lesson four, learning about the life cycle of a plant. See what you can remember from the previous lesson on the quiz, then watch the video of the lesson and complete the activities as the teacher instructs.

This week's Big Question is: what are the stages of a plants life?

<https://classroom.thenational.academy/lessons/life-cycle-of-a-plant/>

Extra Challenge:

This week we're looking forward to Virtual Sports Week. This year we can't go to Edmondscote for our usual school sports day, but you can enjoy the competition from the comfort of your home. We'd like to see as many of you as possible submitting your entries to show your participation. To participate, and score points for your house, all you need to do is follow these steps:

1. Choose an activity each day, or you can try all four!
2. Take a photo to submit and send to your teacher's email.
3. All entries must be submitted by Thursday 2pm.

For each activity entry you submit, you will score 5 points for your house team.

On Friday we will announce the results via Twitter, and these will follow in next week's class letter.

A video instructions clip will be uploaded to our Twitter page each day to help with the activities you need to complete.

Good luck and enjoy!

Sharing our learning:

Please share your work, anything interesting or PE challenges on Twitter!
@ClaphamTerrace1

Also remember you can now send me any home learning that you would like marked to 2312yr3homelearning@welearn365.com

Keep exercising, and enjoy spending time learning in different ways with your family. I will be in touch again at the end of the week.

Have a good week all! Keep positive! Take care! Tot binnenkort

Proost!

Mr Whiting
