What the Ladybird Heard at the Seaside by Julia Donaldson

<https://www.youtube.com/watch?v=YgZ60BJWm2Y>

Activity 1 - In the story, Lanky Len and Hefty Hugh tried to steal something that didn't belong to them. Can you make a wanted poster for them, detailing their attempted crimes? Remember to describe each of the characters so that they can be found.

Activity 2 - The ladybird came up with a plan to stop the robbers from stealing the mermaid's hair. What was that plan, and did it work?

Activity 3 - If the ladybird had asked you for help in the story, how would you have tried to stop the robbers from stealing the mermaid's hair? Can you make your own plan?

Activity 4 - At the end of the story, the robbers realised that their plan hadn't worked. Where do you think they went next? Do you think they ever tried to steal again?

## **Topic:**

Next year's topic will be all about the Great fire of London. So in preparation for this, look at all the different types of house and homes we have in our local area. Look at Tudor homes in particular we have some amazing examples just a short drive away. Talk about the different types of material the houses are made from and think why that might be.

### **Transition**

Make a get to know you fact file for your new teacher. Have a look at the one we have uploaded or make one of your own!

We hope you enjoy completing this week's learning. Remember to just do what you can. Take care and stay safe.

Best Wishes,

Mrs Fairhurst and Mrs Clarkson
