

Dear Year 3,

Hoe gaat het?

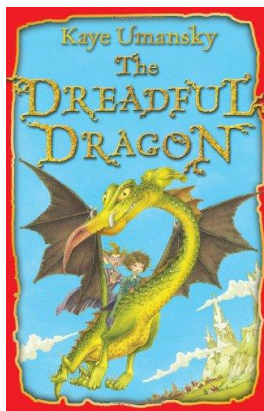

Hello Year 3, it was really good to see some of you back in school this week. I hope those of you who weren't had a good week and were able to get out and about and avoid the weather. This is the last letter for the weekly home learning, but I will be in touch next week about things you may want to do over the summer.

I came across an old music album of mine this week. It was an album I used to listen to a lot when I was driving. The band are called 'The Gaslight Anthem' the album is called the 'The 59 Sound'. It's a bit rocky but has a chilled vibe with it.

Reading

Keep up with your reading for pleasure.

This week I would like you to write your own problem and resolution to 'The Dreadful Dragon.' What happens to Ronald? How does he meet the dragon? What adventure do they go on? I would like to see a description of the dragon, some dialogue between characters and an interesting ending.

Spelling Shed

Spellings

There is a new set of spellings for you to learn, remember to use a few different way to learn them, try writing them into sentences as well as 'look, cover, say, write.' Then have a go at the web games and the assignment that has been set.

Optional

If you would like to try something different click on the Isee reasoning links <http://www.iseemaths.com/lessons34> and have a go at the Year3/4 problem from Monday 29th June – Change at the shop.

Please keep practising your times table on TT Rockstars! This will help you lots when you are in Year 4. <https://trockstars.com/>

Finally have a look at the video I have recorded playing Hit the Button, see if you can beat my score, let me know how you get on.

Literacy

This week's focus is writing your own story. There are five lessons again, but remember to do what you can, that may mean you choose a specific lesson from the week to have a go at. <https://classroom.thenational.academy/subjects-by-year/year-3/subjects/english>

Science

Have a go at the first sound lesson.

This week's Big Question is: What is sound?

Extra

I have found a lesson on Oak academy that is about beatboxing using rhythmic patterns. Have a look at it, it may be something that is quite fun to try and do.
