

Dear Year 3,

Hoe gaat het?

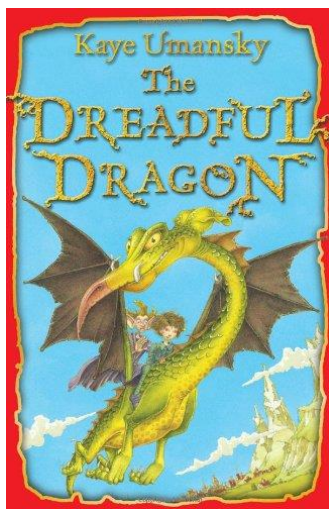

Hello Year 3, I am looking forward to seeing some of you next week, if you are not coming back in I am looking forward to seeing you soon! Hopefully everyone is well and you are managing to do a bit of learning but also having plenty of fun.

I would like you this week if you have time to have a little listen to Otis Redding, a soulful singer from the 60's who has had a major influence on contemporary artists. A number of his songs have been sampled by a number of today's big pop stars. I think some of his best songs include: Sittin on the Dock of The Bay, A Change is Gonna Come, Try a Little Tenderness.

Reading

Keep up with your reading for pleasure.

Mrs Hothi has recorded the next chapter of The Dreadful Dragon – Old Crabbit
<https://www.youtube.com/watch?v=0TK0rNE2Cdo&feature=youtu.be>.

We would like you to draw a comic strip telling the story so far. Try and include at least one box per chapter, remember to use speech and thought bubbles. You can set out your comic in any way you would like.

Spelling Shed

Spellings

There is a new set of spellings for you to learn, remember to use a few different way to learn them, try writing them into sentences as well as 'look, cover, say, write.' Then have a go at the web games and the assignment that has been set.

<https://www.spellingshed.com/en-us>

Maths

Harder (Year 3)

Please choose Summer Week 11 6.7.20.

This week's focus is shape, space and measure.

<https://whiterosemaths.com/homelearning/year-3/>

Hard (Year 2)

Please choose Summer Week 11 6.7.20 this week's focus is on capacity, temperatures and time. <https://whiterosemaths.com/homelearning/year-2/>

Optional

If you would like to try something different click on the Isee reasoning links <http://www.iseemaths.com/lessons34> and have a go at the Year3/4 problem from Friday 26th June –Roman Numerals.

Please keep practising your times table on TT Rockstars! This will help you lots when you are in Year 4. <https://trockstars.com/>

Finally have a look at the video I have recorded playing Hit the Button, see if you can beat my score, let me know how you get on.

<https://www.youtube.com/watch?v=9Q2K5TJXeQw>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Literacy

This week's focus is writing a non-chronological report. There are five lessons again, but remember to do what you can, that may mean you choose a specific lesson from the week to have a go at.

<https://classroom.thenational.academy/subjects-by-year/year-3/subjects/english>

Geography

Big Question: What are the similarities between Los Angeles and Coventry?

I would like you to find Cov and LA on a map, globe, atlas or digital map. Then research populations, area, and schools. Landmarks and tourist attractions. Think about the location within the country, closest airport, and closest beach. What other things are they famous for? Music? Write up your findings as a poster!

Science

Have a go at lesson five, learning about how plants transport water. See what you can remember from the previous lesson on the quiz, then watch the video of the lesson and complete the activities as the teacher instructs.

This week's Big Question is: How do plants adapt to different environments?

<https://classroom.thenational.academy/lessons/how-do-plants-adapt-to-different-environments>

Extra Challenge: This week we would like you to have a think about what career you would like to have in the future. There are many different jobs in the world, think about your favourite subject and how it could lead to a job. For example, if you enjoy maths and science maybe you might want to become an engineer. If you are stuck ask your parents or carers what they do and it might inspire you! Have a go and create a collage of ideas!

Sharing our learning:

Please share your work, anything interesting or PE challenges on Twitter!
@ClaphamTerrace1 or 2312yr3homelearning@welearn365.com

Have a good week all! Keep positive! Take care! Tot binnenkort

Proost!

Mr Whiting
