

Dear Year 2,

I hope you have had a good week and have managed to keep active, despite the changeable weather. I can't believe we only have a week left of this school year. It has been a strange year and one none of us will forget. Enjoy the last week of structured home learning.

### Reading:

Do keep up with your reading for pleasure. Perhaps you could read a story to a friend or family member using a video call or record yourself reading aloud. You could try reading an author you've not read before, or a different genre of book. You can share what you've been doing on twitter and inspire others to have a go.

There is another phonics play comic to try if you are still enjoying these activities. [https://phonicsplaycomics.co.uk/comic\\_ph5b\\_swap\\_shop.html](https://phonicsplaycomics.co.uk/comic_ph5b_swap_shop.html)

Log onto Purple Mash and read chapter 2 of 'Anna's Sportsday' in Serial Mash, Diamonds and then complete the activities for it throughout the week. In this week's chapter Ned has a great idea to help Anna.

### Phonics:

**Harder:** Look at the Spelling Shed PowerPoint and complete the tasks on this week's challenges. This week we are focusing on challenge words.

**Hard:** Look at the spelling bee PowerPoint and complete the some of the tasks about the digraph, the digraph 'ur'.

<https://www.phonicsplay.co.uk/resources/phase/5/buried-treasure> (Login is free username march20 password home.) You can do some more revision activities on the different digraphs you have learned.

### Maths:

Go onto the Year 2 section of the White Rose Website:

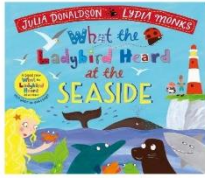

<https://whiterosemaths.com/homelearning/year-2/>

Complete the activities for Summer Term Week 12. It is the final week of 2 on time.

There is a different video for you and your parents to watch each day then you can complete the activity in your exercise book. There are answers for your parents to use to check your work. **(If you have been into school this week please just do days 3, 4 and 5 as you will have covered the first lessons with Mr Mason.)**

If you would like to try something different click on the Isee reasoning link <http://www.iseemaths.com/maths-games/> and have a go at the **Nim-7** Watch the video and if you have already tried this game, have a go at deepening the challenge!

## Literacy

Watch 'What the Ladybird Heard at the Seaside' by Julia Donaldson and Lydia Monks <https://www.youtube.com/watch?v=YgZ6OJBWm2Y>

Activity 1 - In the story, Lanky Len and Hefty Hugh tried to steal something that didn't belong to them. Can you make a wanted poster for them, detailing their attempted crimes? Remember to describe each of the characters so that they can be found.

Activity 2 - The ladybird came up with a plan to stop the robbers from stealing the mermaid's hair. What was that plan, and did it work?

Activity 3 – The story is written in rhyme, can you write a different rhyming ending?

**Challenge:** This week is the final handwriting practice!

## Topic: U.K and World Weather

B.Q. Where are the different climate zones?

In the last topic lesson, we looked at how the climate and weather were different throughout the world. Climate is divided up into different zones, and this week we are learning how and where they appear on a world map. There is a PowerPoint to watch and a task to complete on the blank world map.

## Sharing our learning:

While you are learning at home you can complete your work in your exercise book or on paper. Please continue to ask your parents to send some of your best learning to [2312yr2homelearning@welearn365.com](mailto:2312yr2homelearning@welearn365.com)

Best Wishes

Mrs. Holberton
