

Hi Year 5,

We have reached our final week of year 5. I'm sure you have all spent some time this week thinking about your journey into year 6. I know you are all going to have a fantastic final year at Clapham and I can't wait to see you lead the school as the outstanding role models you are.

I hope you have all been able to read your wonderful year 5 reports and share these with your families – well done you! I have enjoyed reading through some of your job applications for year 6 roles and responsibilities. In school we have all completed one, so if you are at home please be sure to email yours. What a difficult task it is going to be to decide, but I know you will all do your very best at fulfilling the roles you take on.

In school, we have been pumping out some music in the mornings to start our days positively. We have also been testing ourselves with some of the Newsround quizzes and keeping active everyday to stimulate our brains. I thought those of you at home might also enjoy this, so here are some links you can use.

Maths

This week we will be continuing our geometry learning in Maths, to find out more about shape. Please use the White Rose lesson videos and worksheets (see class webpage).

Literacy

This week I would like you to write a short story.

Use the lesson links to get you started.

Enjoy your final week before summer, think about what you'd like to achieve in your final year at Clapham, maybe write some of your goals down before you sign off for a break.

Have a great week everybody.
