

Dear Year 4,

It was lovely seeing so many of you on Wednesday and Thursday! I hope you all enjoyed the activities set last week, it was great to see some of your comic strips from our Guided Reading book 'The Dreadful Dragon'.

Here are some things you might like to have a go at this week:

### Reading

This week I would like you to write a book review on a book you have read whilst learning at home. This can be a non-fiction or a fiction book. Remember to write down what you liked about it, what could be improved and would you recommend it to a friend and why?

### Spellings

There is a new set of spellings for you to learn, they are based on tricky and challenging words we may use. Have a go at the assignment on Spelling Shed, remember to use a few different way to learn them, try writing them into sentences as well as 'look, cover, say, write.'

**Transition:**

This week I would like you to have a think about this school year and reflect on it. I would like you to complete the memory sheet I have attached. Have a chat with your siblings or parents and see what you can remember!

As an extra challenge have a think about one thing you would like to improve on or achieve next year and set that as your goal.

**Sharing our learning:**

While you are learning at home you can complete your work in your exercise book or on paper. Remember you can send work to our class email [2312yr4homelearning@welearn365.com](mailto:2312yr4homelearning@welearn365.com) for me to look at.

I hope you enjoy completing this week's learning. Remember to just do what you can. Keep looking at some of our Twitter challenges and send us some of your own pictures of you baking/reading for pleasure/spending time learning in different ways with your family. I will be in touch again at the end of next week.

Best wishes,

Mrs Hothi
