

Another week has flown by, full of learning and enrichment activities. I have been hugely impressed as I've been observing many lessons this week, to see such top quality learning and engagement. The children are thriving, motivated and aspiring to reach their targets.

Thank you again for supporting our staggered starts and finishes and for picking up and dropping off the children on time. It is really helping us to keep our bubbles separate.

Our new mural looks absolutely superb; thank you to Lynne Gougeon, our artist, who has worked with children in Year 3 and 5.

On Monday, we're looking forward to welcoming back Ricky, our dance specialist, who will be working with our separate bubbles.

Our leadership teams are all in place and will be helping to shape the direction of leaning in school. They are enjoying the challenge of working together virtually!

Over the course of next week, class teachers will be spending time ironing out any issues with our interactive online learning resources, TT Rockstars and Spelling Shed.

Next week we also have our first virtual Harvest Festival. You can read about it overleaf.

Finally, we are currently having technical problems with uploading this week's celebration assembly, so it will be available early next week instead.

Clapham's New Mural!

This week, Lynne Gougeon, an artist who has worked with us before, came back to school to help us with a third mural, on the brick wall next to the football pitch. The other murals are of a field with birds and flowers and an underwater kingdom of fish, dolphins, crabs and more.

The new mural is a jungle scene, filled with animals and trees. Lots of children in the school have taken part and have really enjoyed themselves. Lynne also enjoyed helping everyone and the children followed social distancing rules with her very well.

We have only got a little bit of space left on the wall, but I think it's big enough for another mural! By CTCN Reporter, Joe

The Herbert Gallery and Museum

As part of their visit to Coventry, Year 6 visited the Herbert Art Gallery and Museum. At the Herbert, they learnt about the different roles civilians had during World War 2. Robert dressed up as a War Warden and he got to tell Mr Filby off for not doing his blackout blinds, as he was letting the Germans know where the factory's were. Hannah sounded the air raid siren and Lukas and Arthur put out factory fires, caused by bombing.

Next, they went in an Anderson shelter and learnt that only six people were allowed in a shelter at one time. Finally, they went to an underground cellar beneath the Herbert, which was used as a public air raid shelter.

Congratulations House Captains!

Last Friday, the children found out who the new House Captains were. As the school houses could not be in the same room to listen to the candidates and then vote, the Y6 candidates recorded their manifestos on camera and the rest of the school voted in their classrooms.

The final results were: **Goblin**: Jane and Kian, **Dragon**: Huxley and Daniel, **Unicorn**: Sophia and Jason, **Phoenix**: Naomi and Max

Virtual Harvest Festival

Next Friday, Mr Whiting will be taking Harvest Festival online for everyone to enjoy; further details will follow next week.

Please could we ask you to bring in any donations from Wednesday onwards, as we will be supporting St Mary's Church foodbank. Their foodbank and community café operates every Wednesday to help those who are struggling to access enough food to feed themselves and their families.

Wellbeing Ambassador Meeting

On Monday, the Year 5 and 6 Wellbeing Ambassadors had a Zoom meeting with the other WBAs in the Central Warwickshire Sports Partnership about how their role will develop this year with all the coronavirus restrictions.

Obviously, at the moment we are not able to do face to face sports events with other schools, so the WBAs will have Zoom meetings about how to organize virtual events. By CTCN Reporter, Arthur.

Protective Behaviours

This week, our PSHE focus has been on protective behaviours. Protective behaviours are about emotions, rights and responsibilities, how to stay safe and how to use our network. The two main themes are:

- We all have the right to feel safe all of the time.
- We can talk to someone about anything, no matter how big or small it is.
