

We've leapt back in time this week, as the children enjoyed learning about the Stone Age in Year 3 and 4 and in Year 5 and 6 they took part in a World War 2 Day. The Year 5 and 6 costumes were absolutely superb—thank you to you all for your support.

We had 20 parents join our HSA Zoom call on Monday evening, our best ever turn out. The school budget is stretched and we are really struggling to generate extra funds at the moment due to COVID, so it was brilliant to know that there are so many families in our community willing to help us raise money for enrichment activities for our children. Look out for the HSA newsletter, as there are a lot of events and ideas in there for you to support.

Please could I kindly remind you of start times in the morning, as parents are beginning to creep in earlier and earlier and some of our bubbles are in danger of overlapping too much.

If you could arrive at your designated time, you will help us to remain as safe as possible with our social distancing. The small gate to the EYFS area will open at 9.00am for EYFS parents and carers. Please can I ask you not to arrive before this time.

Nursery/Reception	9.00am	EYFS playground
Year 1	9.00am	Astro turf playground
Year 2	8.50am	Main playground
Year 3	8.50am	Trim Trail
Year 4	8.45am - 9.00am	Straight in to class
Year 5		
Year 6		

If you are in Year 4, 5 or 6 with younger siblings, we ask that you arrive at the time that they are due in (i.e. 8.50am or 9.00am).

You can view this week's celebration assembly at:

Stone Age Workshop

Year 3 and 4 were fascinated by their Stone Age Workshop. The mammoth tusk was of particular interest!

Times Table Rock Stars

Times Table Rock Stars is a fun and challenging programme designed to help children master the times tables. To be a Times Table Rock Star you need to answer any multiplication fact up to 12×12 in less than 3 seconds! TT Rock stars is very fun to play, and children all over the school play it. In the game you have one minute to answer questions and after you earn coins. With those coins you can buy clothes and instruments for your character to change how you look.

If you don't want to play Garage (the game with one minute to answer the questions) then you can play arena, sound check and more. Arena is where you go into a stadium or an area big enough for a concert and can play with friends in a 1v1v1v1 battle to try and answer enough questions correctly, to beat everyone else.

It's very good and not just our school play it, schools all over England play TT Rock stars! You can get it on I-pads and laptops and you will have a username and password. By CTCN Reporter Joe C

The JLT meeting

On Monday, our JLT had their first meeting. In it they discussed a project/competition which your children can take part in. The competition is to design logos for our characteristics of learning. They are: Creative, Active, Resilient, Independent, Persistent and Collaborative. Children are allowed to design as many of the characteristics as they'd like, but they will have to bring them in by 22nd October 2020. Then the JLT will choose their favourite 3 of each characteristics, then give them to the school teachers to vote for. Then they will make the winning ones into logos to display in our school. By CTCN Reporter Sophia
