

We have had a fabulous day today, Breaking the Rules! A massive thank you to the HSA for coming up with the idea and to all the parents and carers for supporting it. Funds raised enable us to carry on providing fantastic enrichment activities for the children, just like today with our visit from Stephanie Clarkson, our Patron of Reading. All the children have enjoyed working with her.

This week we have had a whole school focus on Shakespeare. Every class has studied The Tempest. Take a look at our twitter feed to get an idea of the wonderful learning going on.

Next week, we're looking forward to working with Ricky's Dance. Early Years and Year 1 will be practising and then performing their entry for the virtual dance competition later in November.

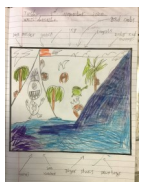

It's Children in Need next Friday (13th). Please support this worthwhile cause by bringing in £1 and wearing something spotty!

This week's achievement assembly can be viewed <https://www.loom.com/share/18b4a347f3924e8bb59896fe5e2a0f51>

Finally, can I please ask you to remain vigilant and if anyone in the family is displaying COVID symptoms, please don't send the children into school. Children who are isolating will be set work by the class teacher. If you need to contact school, please email admin2312@welearn365.com or telephone 01926 423404.

Shakespeare Week

This week, we have taken part in Shakespeare Week. The whole school has looked at a certain play that William wrote. This time the children have learnt the story of 'The Tempest'. They have studied the characters, and compared the differences between them, also writing character descriptions about each one. Other classes have acted out scenes of the play and done freeze frames of the storm or tempest. The children looked at pictures and paintings of the storm and what the characters may have looked like. People enjoyed the "WHOOSH" which is a game where the story is read, then several children are chosen to be actors and act out the story. When the word "WHOOSH" is said, the actors must sit down and new actors be picked. Hannah said, "The acting was fun, as I love acting!" and Robert said, "It was really awesome!" DATES FOR YOUR DIARY

Wednesday 11th Nov EYFS Diwali Dance

Friday 13th Nov Children in Need—wear something spotty and bring in £1

Clapham Carl's Pumpkin Trail

We did a pumpkin trail in the holidays, organised by the HSA. I did the trail with my friend and my brother and we had lots of fun! Some of us had bought a treat bag too, that had sweets and activities in. We brought our trails back in to school and on Friday a winner will be drawn from each class. Happy Halloween! By Hannah, CTCN reporter

Dress up Day

The whole school really enjoyed dressing up and there were some really scary costumes!

Some people chose not to wear a Halloween costume and instead wore different dressing up outfits, which were still amazing! Mrs Hothi was a sparkly unicorn with lots of glitter. Glamorous!

We all had fun looking at people's costumes and enjoyed the treat bags!

By CTCN reporter Rosie

Thank you so much for all your donations and to the fantastic HSA. We raised over £600!

The Movie

On the last day of term, school was rewarded for reading with a film. In Year 1 and 2 they watched the sequel of Frozen and Year 3 and 4 enjoyed watching Mary Poppins. Year 5 and 6 watched the Lion King live action version. It was a fun afternoon and every class enjoyed themselves. If each year keeps this up, then we might get more treats like this. So let's get ready and get reading! Even reading a sign on the road or cereal box could count as one read. So remember read three times, get your parents to sign your reading record and you will be able to have fun experiences all the time.
