

## DATES FOR YOUR DIARY

Monday 4th January Teacher Training Day

Tuesday 5th January Back to school

It's beginning to look a lot like Christmas here in school, our annual hoop decorations are hanging in the hall and the children and staff have enjoyed Christmas dinner today in their festive jumpers. With restrictions in place, we are aware that Christmas might not look quite the same this year and so we have planned an exciting festive Clapham Countdown to Christmas next week, to ensure the children have a special last week in school. The week will follow the following format:

Music Monday	Children to wear festive clothes if they wish. There will be singing and dancing at various points throughout the day to spread festive cheer.
Tinsel Tuesday	Children to wear tinsel / glitzy accessories if they wish. Children will watch the virtual nativities the EYFS, Year 1 and 2 have produced. They will then take part in an exciting scavenger hunt for their class Christmas present.
Workout Wednesday	Children to wear sports kits. Children will take part in a range of festive physical activities throughout the day and compete in our House Marathon Kids event.
Theatre Thursday	Children can come to school in their party gear (suitable shoes for outdoors please). Christmas parties in classes in the morning (please don't send in any food due to Covid restrictions). Children will watch a virtual pantomime in the afternoon that we have purchased from a travelling theatre company for them to enjoy in their classes.
Festive Friday	Christmas jumpers or festive gear can be worn if the children wish to. Children can bring in their own toys and games to play with (we request no electronic games; collaborative games your child can share are often most popular). The children will be making a Christmas craft which they can purchase for £1. They will also get the chance to purchase the Santa Christmas Trail maps that the HSA have put together, along with treat bags. There will be a separate email to explain this on Monday. The children will then watch the virtual Christmas Carol service that KS2 have put together. Normal pick up times.

We would like to thank you for the fantastic uptake of raffle tickets; prizes have been drawn today. We would like to thank our wonderful HSA for organising the raffle, as well as the other brilliant fundraising events which have taken place this term.

Once the children have watched their class nativities and the KS2 Carol Service, we will share the links with you.

## Assessment Update

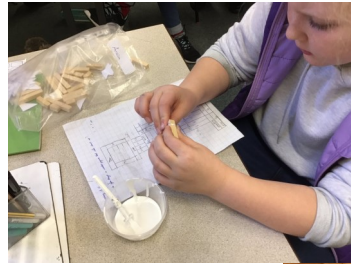

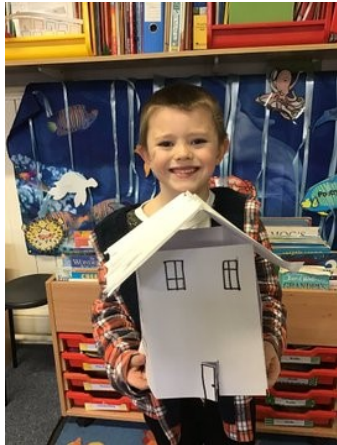

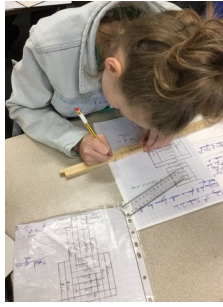

You may have read in the news that the Government has announced changes to statutory testing for the 2020-21 academic year and we can confirm that there will be no KS1 SATs for Year 2.

KS2 Maths and Reading tests are planned to go ahead, but there will no longer be a SPaG test. The children will be assessed by class teachers as way of us monitoring their attainment and progress.

Further information for both these year groups will be shared in the new year.

## Design Technology

There's been some amazing work DT work going on in school this week: wooden men structures, and 3D houses.

## HOT OFF THE PRESS!

We're delighted to report that Clapham has just been awarded the Eco Award at the HIGHEST LEVEL:

**Green Flag!**

Congratulations to the Eco Warriors and Mrs Fairhurst for all their hard work!
