

Heads Up

We've had the most amazing week being back together. We've had a 100% return and enjoyed dancing, dressing up, craft, Marathon Kids, athletics challenges, as well as impressing all the teachers with some incredible learning in maths, English, science and topic. The children's behaviour has been impeccable and it's been an absolute delight to be with them. The children have slotted straight back into the routines and procedures in place to keep them as safe as we possibly can.

I'd like to say a huge thank you to all of you for supporting us so well at drop off and pick up time, and for wearing masks when you are on the school site.

Next week, we have another action packed themed week with Diversity Day and Red Nose Day to look forward to.

Enjoy a rest this weekend; I'm sure the children will sleep well after all the excitement this week!

The New School Dance

Do you remember the Jerusalem dance challenge that we all took part in a few months ago? Mrs Ozaslan taught us all and now she's created another dance to Harry Style's song Treat People with Kindness. So far, everybody has had a go and Year 6 will hopefully be teaching the younger children too, just like last time. We are very excited to share the dance and hopefully everyone will learn it quickly, although it's trickier than the last one! We want to thank Mrs Ozaslan for choreographing this dance and teaching it to us. This is now our school dance! CTCN Reporter Rosie

JLT Red Nose Day Fundraiser

For Red Nose Day this year, we are doing a comedy Friday. So you will be needing to bring in a joke or two. Bring a donation of £1 and wear RED. It doesn't matter if it's socks, a top, tights, a headband, a red nose, a hair bobble, trousers, a cap or even a bobble hat.

So mark your calendar for March 19th, 2021! CTCN Reporter Sophia

World Book Day

On Thursday 4th March, our school took part in World Book Day. We decided to postpone dress up day until 11th March, so everyone could take part. As part of Book Week, some children came up with questions for our Reading Patron, Stephanie Clarkson. Miss O'Kelly interviewed Stephanie and there were some unexpected answers!

We have started a new book, "Here We Are", and have done lots of work on it already! We've written poems on the first few pages of the book, and filmed a documentary about the animals in the story.

World Book Week has been so fun this year, even with Covid-19 restrictions! CTCN reporter Naomi

School Clubs

Although we still need to be cautious due to Covid, we are really excited that clubs are already up and running! Each class bubble has several clubs available to them. If you have not yet signed up club but wish to, visit our website at [Extra Curricular Activities - Clapham Terrace](#) and ring the school office to enrol.

HSA Easter Plans

More information will be coming out shortly about exciting Easter activities for the last day of term. We will be doing our popular Easter Egg Bingo and have adapted it for our bubbles, making it as safe as possible. There will also be a raffle, dress up day, trail and treat bags! Please see attached letter.

Clapham Terrace House Competition

Over the last few weeks, the school has been doing different sport challenges. The first thing we did was basketball and the children showed off their brilliant skills. The next week was focused directly on football and once again the children showed what they could do. This week we're doing athletics. There will be two more activities over the next two weeks, but that will be a surprise for the children! It is really fun and the children are enjoying it. The competitive aspect keeps the tournament hard, but they are doing well.

Dragon are in the lead so far having won all 3 events. Come on the rest of the houses!

Return to School

Arthur's interview with Mrs Ashcroft

How does it feel to have everybody back in school?

It's fantastic to have all the children back and all the teachers have missed everyone.

What activities have been planned for the coming weeks?

We have a jam packed 4 weeks with a focus on well-being and being active including daily dancing, singing, crafts, sports and an Easter themed final week.

What have you done to get everybody back to school safely?

We have continued to follow our strict Covid risk assessment so children are learning in their bubbles, we are regularly washing our hands, keeping our windows open and having our desks facing forward.

How do you think people will handle with the new rules?

Our fantastically resilient children will as always adapt to the changes.
