

As we reach the end of the penultimate week of the spring term, the staff feel very proud of the children for coping so well with the return to school. All the children seem to have enjoyed the broad range of activities we've planned for them, adjusted well to being part of a larger group again and settled straight back into what's expected of them in a classroom environment. All credit to you as parents and carers for your hard work during lockdown. We look forward to talking to all of you next week in more detail during parent consultation sessions, where we will share with you the next steps in your child's learning.

Please enjoy our Celebration Assembly and see what we've been up to this week:

Next week, our final few days before the Easter break promise to be very active and busy as we have visits from the fire service, a virtual sports competition, an opportunity to try out our new tri- golf equipment and many Easter themed activities!

Ricky's Dance

On Monday, Ricky came in and worked with the whole school. For many years, Ricky has come to Clapham and choreographed dances for us. He always chooses really fun songs. Year 1 did the upbeat song Dance Monkey. Year 2 did the catchy song Blinded by the Light. Year 3 did Head and Heart, which lots of people like to hum to. Year 4 danced to the song from Aladdin, a movie that we all love. Year 5 did the Pink Panther remix which has a great rhythm.

Year 6 did Levitating, one of Dua Lipa's best songs. I am sure your child will be happy to teach you their dance!

Our Easter Egg Home Learning

This week, a new home learning assignment was set. For KS2, it's to decorate a hard-boiled egg to look like one of your favourite book characters! Early Years and KS1 are making an Easter bonnet. There will be a competition for the most creative bonnet or egg in each class on Thursday the 1st of April.

Prizes will be awarded for effort and creativity; not just for the best looking (although that will earn you lots of points too!).

HSA Easter Egg Bingo

We need Easter egg donations for the HSA Easter Egg Bingo on Thursday 1st April. Children can bring Easter eggs in to school with them, or you can drop them off at the office. Thank you!

Red Nose Day

Last Friday, it was Red Nose Day. Everybody came dressed in red and wearing red noses. In the afternoon, the JLT hosted a 3 round quiz for their classes.

We are in the process of counting the donations and will let you know the grand total as soon as possible. Thank you for your generous support.

Magical Music Week

This week, there has been a focus on music in school. Each class composed a song during the week, and children who have music lessons in school joined in with their instruments.

In an assembly, Mrs Fairhurst showed us several videos that included people making music out of glasses, drainpipes, and more! There was an amazing mechanical machine made out of marbles and wood; it was spectacular to watch and hear. We also saw two men playing the Star Wars theme tune on drain pipes. It was funny and fascinating—the longer the pipe is, the deeper the sound.

Mr. Smith's Phenomenal House Competition

Over the last four weeks, Mr Smith has been organising different exercises for the whole school. This week, the children did handball and also fitness workouts.

This fantastic competition and the 60 a Day challenge has really helped us to get fit!

Eagle Rec Running

Today, Key Stage Two competed in the Run the Distance challenge, running 1.2km as a class. Overall, the children ran a total of 156.6 km! Everyone really enjoyed the running and came back really puffed out and tired! Thank you to Mr Smith for organising this event.
